"Many requests from the readers of his book on 'The Selkirk Settlers in Real Life' have led the author, the Rev. R. G. MacBeth, to continue the history down to recent date in another volume. Mr. MacBeth is a native of the country, and belongs to a connection that came into close contact with the principal men and incidents of the earlier days, and he himself, as a student, lawyer, soldier and clergyman, is qualified to tell vividly the story of Manitoba's political as well as religious and educational progress."—*Winnipeg Free Press*.
