

A Poverty-stricken Millionaire!

This seems a paradox, but it is explained by one of New York's richest men. "I don't count my wealth in dollars," he said. "What are all my possessions to me, since I am a victim of consumption? My doctor tells me that I have but a few months to live, for the disease is incurable. I am poorer than that beggar yonder." "But," interrupted the friend to whom he spoke, "consumption can be cured. If taken in time, Dr. Pierce's Golden Medical Discovery will eradicate every vestige of the disease from your system." "I'll try it," said the millionaire, and he did; and to-day there is not a healthier, happier man to be found anywhere. The "Discovery" strikes at the seat of the complaint. Consumption is a disease of the blood—is nothing more nor less than lung-scurfule—and it must and does yield to this wonderful remedy. "Golden Medical Discovery" is not only an acknowledged remedy for that terribly fatal malady, when taken in time and given a fair trial, but also for all forms of Scrofulous, Skin and Scalp Diseases, as White Swellings, Fever-sores, Hip-joint Disease, Salt-rheum, Tetter, Eczema, Boils, Carbuncles, Erysipelas and kindred ailments.

WITH RECIPES.**

A TRUSTY GUIDE FOR THE FAMILY.

An illustrated book of nearly 800 pages, treating Physiology, Hygiene, Marriage, Medical Practice, etc. Describing all known diseases and ailments, and giving plain prescriptions for their cure, with proper directions for home treatment.

The RECIPES are endorsed by eminent physicians and the medical press. Remedies are always given in a pleasant form, and the reasons for their use. It describes the best Washes, Liniments, Salves, Plasters, Infusions, Pills, Injections, Sprays, Syrups, Tonics, etc. These are valuable to the physician and nurse, making it a manual for reference.

The chapter upon POISONS is exhaustive, and every poison appears in the index, so that the antidote can be readily and, if need be, hurriedly found.

18 pages upon MARRIAGE treat the subject historically, philosophically and physiologically. It should be read by everybody.

67 pages upon HYGIENE, or the Preservation of Health; a chapter of inestimable value. "Everybody wishes to be healthy, and everybody, when they think of it at any rate, wishes to avoid such things as might bring disease and suffering."

40 pages are devoted to PHYSIOLOGY, giving an accurate and extensive description of the wonderful and mysterious working of the machinery within ourselves, correcting many popular errors, and marking vividly the stumbling blocks where most people, innocently or carelessly, begin to lose health. Truths are stated which to many will be surprising.

500 pages which follow present MEDICAL TREATMENT with Sensible and Scientific Methods of Cure.
