LONDON, Nov. 16.

HER MAJESTY.—Windsor, Thursday. This morning at half past nine o'clock, the Princes Ernest and Albert of Saxe Cobourg, attended by Lord Alfred Paget, Count Kolowrat, and Baron Alvensleben took their departure from the Castle. Their Serene Highnesses proceeded to Dover, from whence they will embark for Brussels, via Calais, to pay a visit to the King of the Belgians, on their route to Germany. Their Serene Highnesses are not expected to return to this country before the month of March next.

ALEXANDRIA, EGYPT, Sept. 26.—The health of the Pacha is entirely re-established. Before the departure of Commander Stopford, of the Zebra, in an audience which he had of the Pacha, the latter addressed to him the following words: "Tell your father (Admiral Stopford) that I will not give up the Turkish fleet—that in the long course of my life I was never guilty of cowardice, a gross act of which would be if I were to submit to the absolute will of the great Powers."
