(1) The accession of Salvador is accompanied by the following remarks:—

(a) The Republic of Salvador does not agree to the provisions of Article 26, on the ground that there is no reason why the High Contracting Parties should be given the option of not applying the Convention to their colonies, protectorates, and overseas mandated territories.

(b) The Republic of Salvador states that it disagrees with the reservations embodied in Nos. 5 and 6 of the declarations made by the plenipotentiaries of the United States of America regarding Governments not recognized by the Government of that country; in its opinion, those reservations constitute an infringement of the national sovereignty of Salvador, whose present Government, though not as yet recognized by the United States Government, has been recognized by the majority of the civilized countries of the world. Their recognition is due to their conviction that that Government is a perfectly constitutional one, and affords a full and complete guarantee of the performance of its international duties, inasmuch as it enjoys the unanimous, decided and effective support of all the inhabitants of the Republic, whether citizens of the country or foreigners resident therein.

As it respects the internal regimes of other nations, the Republic of Salvador considers that the Convention in question, being of a strictly hygienic and humanitarian character, does not offer a suitable occasion to formulate such political reservations as have called forth this comment.
