

Candidates for the Scholarship in the Natural Sciences in the Second Year will, in addition to the subjects appointed for that year, be re-examined in those portions of Natural History which formed the subjects of Examination in the First Year; and Candidates for the Scholarships in Natural Sciences in the Third Year, will, in addition to the subjects appointed for that year, be re-examined in those portions of Mineralogy and Geology which formed the subjects of Examination in the Second Year.

In awarding the Scholarships for General Proficiency, not only the subjects appointed for all Students, but also the subjects appointed for Candidates for Honors, are taken into account, and the Scholarships are awarded to such Students as have obtained the highest aggregate number of marks upon the whole Examination, but in this aggregate the numbers obtained by any Candidate in the additional subjects in the Natural Sciences before mentioned are not included. In awarding these Scholarships the comparative value of the several Departments and Sub-departments is estimated according to the following schedule:—
