THRIFT ADVISED AT BIG MEETING

Dependents of Patriotic Fund Packed Massey Hall Yesterday.

UNIQUE IN ITS HISTORY

Mothers, Wives and Children of Solders Display Their Loyalty.

Massey Hall presented a spectacle yesterday never perore witnessed in its history. Nearly 4000 women and children gathered, at the invitation of the Toronto and York County Patriotic Fund, to hear addresses by the funds leaders, to see pictures of ally fine band concert, but most of all to bear testimony to the work being achieved by the fund.

Wives, children and mothers who have been left behind, who have given their all for King and country, were there, and the voices of the little chil-

dren could be heard at all times.

Sir William Mulock Speaks.

Sir William Mulock presided.

"Never before in the history of Canla has there been such an assem blage as this," he said. (Apple 'I am sure, as you applaud this observation," he continued, "you thought of your right to do so with husbands and sons fighting for freedom in France." Sir William spoke highly of the sacrifice that those present had made in sending their men to the

"This assemblage is convened to invite the women to do something about the future, when the bread-winners return to Canada," he said. We must bear in mind that when peace is restored there will be a period of depression and it may be some time before husband or brother finds employment. It is for that reason that that we say 'Save something to bridge over such a time.'" Splendid pictures of conditions at

the front were shown by means of the opticon, and these were heartily applauded. The ever-popular "Tip-perary" was received in real Canadian style. Bandsman Harold Swain sang the verse and the audience joined enthusiastically in the chorus. "Isn't that grand?" one onlooker was heard

Necessity For Thrift.

Sir Herbert Ames impressed upon ils hearers the necessity for thrift and care in spending the money allot-ted to them. After paying his "hum-blest respects to the wives and chilhave a man at the front," he stated that "there ought to be an honor list published which would read like this: 'Mrs. Jones, one husband,'

war and the man who stays hom "The man who can fight should go." he said, "and the man who can't fight can pay." The fund, he said, was not the entire result of the giving of rich people, but rather thousands and thousands of dollars have been received from people who were only able to send small amounts.

He assured those present that if kept filled and will stay by them. He advised using the money the husband sent in the way he would like it used.

Reverses Bequest of Late J. J. Clarke, Police Constable.

At Osgoode Hall yesterday Mr. Justice Lennox handed out judgment holding that the widow of the late Police Constable J. J. Clarke is entitled to the \$1582 paid into court by the Police Benefit Fund.
