PADDLERS FIT FOR ALERT GAME
 Line-up Looks Like Varsity, With No Less Than Five Old Boys on Team.

Parkdale have a wonderful line-up for Monday morning's game at Rosedale, and Alerts will have to play a far better game than they have been playing to win and from the outlook just now the Paddlers will probably pull out as the ultimate winners. Last night they held a grueling practice, and for the first time they had all their men out. They certainly look just now like Varsity Old Boys, with Galt, Rankin, Sifton, J. Bell, Park, all ex-Varsity boys, and Geo. Barker, who will play flying wing, and Pottery, the ex-Beaver main sure, with these headlins of the Blue and White, they ought to be able to stop Roma Craig and Hughie Galt can certainly hold his own with Luckie in the punting end. So, all lovers of the griddle should gird up, with lots of enthusiasm as a soothing tonic, and afterwards they can partake of their turkey and what not with any morning groggies completely dispersed. The Carleton Indians will be the guests of the Parkdale team at the game Monday morning, and they will have a chance to compare a good Canadian game with the American. The game tomorrow at Varsity, Parkdale will hold a practice at Little Vic Link.

Argos look to have the edge on the Paddlers for their game today in Juncosville. Binkley, who has rapidly rounded into form, is punting better than ever, and should do considerable damage, with those outside wings of the watermen showing some of their speed. Tigers will be handicapped, with Dixon, their star back, man out of the game with a bruised shoulder. Things will look good for Argos if they win tomorrow, as they will most likely win the series if they do so.

TRINITY BEAT WYCLIFFE 25-1

Trinity nearly whitewashed Wycliffe yesterday afternoon to the tune of 25-1, and the only thing which prevented it was that one player of the Wycliffe team on their camp. The Red and Black outplayed Wycliffe at all times, their team they demolished their opponents' team completely and Wycliffe's one-man game was quickly smothered. For Trinity the back division were very strong, with Beasley and Matheson dividing up the kicking, while Wilks, Hone and Wilkins were the feature men on the line. Matheson worked like a house afire for Wycliffe, but was helpless against such overpowering odds and Holmes, Owen and Walker were equally antagonistic on the rear division. The score by quarter: First, Trinity 6, Wycliffe 0; second, Trinity 10, Wycliffe 0; third, Trinity 10, Wycliffe 0; fourth, Trinity 15, Wycliffe 1. The line-up: Trinity (25): Flying wing, Clark; halves, Wilks, Kennedy, Beasley; wings, Baker, Bevis, Wilks, Kingston, Montgomery; Hone; scrum, Bishop, Wilkin, Strang; quarter, Matheson. Wycliffe (1): Flying wing, Walker; halves, Holmes, Owen, Armitage; wings, Green, Wetmore, Harcourt, Trivet, Morgan, Smith; scrum, Stewart, Gray, Watson; quarter, Wallace. Referee, L. Sifton; umpire, Herb. Taylor.

Out-of-Town Boxers For City Tournament

The amateur tournament that opens two weeks from tonight in the Arena is given primarily for city boxers, outsiders are not barred and the prospects are bright for many out-of-town competitors. Already the following have written to Billy Moody, 2 West King street, for blanks: P. Williams, Brantford; A. Harris, Brantford; B. Wilson, Hamilton; Manager Glasgow, Windsor; George Hogan, Niagara Falls, and Trainer J. Bell, Montreal. Entries close one week from next Tuesday. Half a dozen local clubs will average about eight entries and with the many individual candidates working out, the amateur mitt artists are having a very busy time. Owing to an error the name of Billy Turley's assistant at the Riverside Club was wrongly given. He is none other than the original Jimmy Green of Birmingham.

Holiday Bike Races On the Arena Saucer

World's Champion Frank Kramer, Elmer Collins and all of the riders who are competing in the six-day race will ride in a big meet to be run at the Arena Thanksgiving Evening, under the auspices of the Big Four. The Thanksgiving Day program is an extensive one and embraces sprint, motor-paced and motor races. Champion of the Big Four, the track winner of the six-day race in a match at one mile, best two out of three heats, paced by riders McDougall will tackle the difficult task of riding an Australian pursuit race against two riders, Gordon McMillan and Scotty Williams. Elmer Collins, Clarence Carman and Percy Lawrence will meet in motor-paced race at ten miles and professional sprinter will ride a ten-mile open. These are the star events of the meet. The other races are a half-mile professional handicap, and a two-mile motor race, in which Daredwell Hunter will meet Charley Stein and Charley Turner.

Varsity's Final Workout in Mud

Heavier Line-Up to Be Chosen to Meet Queens Today—No Chances to Be Taken.

Varsity turned out for practice last evening, for the final preparation before the game tomorrow with Queens, but Dr. Wright decided that they had better take the boys to the rear campus, so as to give the men a chance to get the field free of some of the surface water, which was still lying on the field. All yesterday afternoon our men were busy strapping and shoeing in the mud. The field into condition, but, unless a strong wind comes up, the field will be pretty soggy. The order of the game today and there this morning will be played on either the front or rear campus. Such was the order of Peter Campbell, and if McGill had only been as thoughtful, instead of allowing a soccer and a Rugby game to be played in the same place, things would not have been half so bad. Practice last night consisted purely of putting the finishing touches on those new signals and practicing long passes, on-side kicks, etc. The line-up has not been decided on yet and will not be chosen until just before the game. Queens are a very heavy team and with the acquisition of Elliott on the line again it looks as if the Blue and White will have to do their best to win. With such a heavy aggregation against them many new faces will most likely be on the line-up. Pierce Clarke will most likely play on the line, and somewhere, Jack Maynard will be in uniform and will jump into the game if necessary, but here's hoping that he will not have to take the chance. Harry Webster, Ginter, Cuzner, quarter, Campbell, scrum, Currie, half back, in-side, Clarke, Brown, middle, Taylor, German, outside, Sinclair, Clarkson. Queens: Flying wing, Paving half backs, Haslett, Erskine, Macdonnell, quarter, Bold, scrum, McLeod, Ellis, McLaughlin, inside, Kennedy, Pilling, outside, Dunlop, McElham, outside, O. Kennedy, Rodden.

The Varsity team will not be finally selected till the men go on the field, the line-up will be about as follows: Varsity: Flying wing, Gage; half backs, Webster, Ginter, Cuzner, quarter, Campbell, scrum, Currie, half back, in-side, Clarke, Brown, middle, Taylor, German, outside, Sinclair, Clarkson. Queens: Flying wing, Paving half backs, Haslett, Erskine, Macdonnell, quarter, Bold, scrum, McLeod, Ellis, McLaughlin, inside, Kennedy, Pilling, outside, Dunlop, McElham, outside, O. Kennedy, Rodden.

Soccer Football: Scotland v. England Today at Rosedale

The soccer game of the year is to be played today at Rosedale, when teams representing England and Scotland will battle for supremacy. Geo. Wright, late of West Ham, will captain the English team, and W. Brownlee, late of Hamilton Academical, will have charge of the Scotland team. The best teams available have been put together, and all arrangements made for a bumper game. Teams: England—Goal, Hardy (Baracas); backs, Richardson (Rovers), Warburton (Beckers); half-backs, Peske (C.N.R.), Wright (Pioneers), J. Notcutt (C.N.R.), forwards, Cator (Overseas), Parkin (Overseas), Grier (Eaton), Walker (Baracas), Rowe (Devons), reserves, Hopper (Devons), W. Notcutt (C.N.R.), Raven (Overseas). Scotland—Goal, McCracken (Petons); backs, Campbell (Baracas), Brownlee (Baracas); half-backs, Marshall (Baracas), Grier (Eaton), J. McLean (Don Valley), forwards, Owens (Siverson), McCrory (Taylors), Hunter (O.C.C.), Corbett (C.T.R.), Scott (Baracas); reserve, Ross (Fraserburgh). Referee—D. Lumsden (Scotland) and D. Hunter (Scotland). Referee—N. J. Howard. A couple of chances have been made since the original selections, owing to insurmountable difficulties. Warburton of Overseas replaces Hickett of Simpsons at left back, while J. Notcutt of C.N.R. replaces Sam Davis of Davenport at left half, the latter player having to retire thru a recent injury.

Another Win for Jarvis II. The Jarvis II defeated the St. Michael IV. on St. Michael's grounds yesterday by 10 to 0. Jarvis: quarter, Flying wing, Moses; halves, Prendergast; Flying wing, Watson, Sinclair; quarter, McLeod; scrum, Houson, McKenna, Brown, wings, Nevitt, Bonrook, Scully, Howarth, Lyndon, Miller.

Ten Eyck, 61, Wins From Riley, Aged 65 Sculling Three Miles

SARATOGA, N.Y., Oct. 25.—James A. Ten Eyck of Syracuse, the veteran rowing coach, defeated James H. Riley of this village, a former professional, over a three-mile course on Lake Lenox today in a match, which had been arranged to settle the championship for oarsmen past 50 years of age. Ten Eyck is 61 and Riley is 65. Neither man experienced any serious discomfort during the race and both finished in good condition. The time was 21 minutes and 30 seconds. Ten Eyck has defeated Riley twice before in similar matches. Toronto looked to be up against a sore loss yesterday, but from latest reports Hal DeCruyck's ankle will mend rapidly and he may be expected to play a week from today.

LIVELY JAMS AT THE GRIND

No Real Gains in Fifth Day of Bicycle Race — Kid Team in the Doings.

The 4th-hour standing was as follows: Miles. Laps. Root and Hehr 335 11 Thomas and Ryan 330 11 Moran and Perchot 325 11 Grenada and Pye 320 11 Wells and Mitten 315 11 Cameron and Magin 310 11 Drobach and Lawrence 305 10 Gardellini and Deffenbacher 300 10 Lottes and Coburn 295 9 The score by hours is as follows: Miles. The only feature was a few lively jams and most of these were for the benefit of the smaller crowd in the afternoon. Willie Coburn and Lottes lost considerable ground during the afternoon owing to Lottes being troubled with a sprained wrist and being unable to grasp the handle bars. Coburn made up for this in the evening by setting the pace the biggest part of the time and retaining two of the lost turns. Eddie Root rested up during the evening and went out for the 5000 nighty prize and won handsily. They went away to a fast pace at 9 o'clock and the jams came thick and fast. Nearly every man had a crack at the sprinting game and the fun was fast and furious. Thomas was the first offender and jumped them, going out for half a lap lead. After Thomas and his partner had it all their own way for a few turns, Mitten caught them thing and went to the front. Coburn, who was leading like mad behind Mitten, forged ahead and it was a merry chase. The last lap was a fast one and at 10 o'clock the jams came thick and fast.
