ministerial changes will probably be-few. Viscount Rothermere, who is a zealous economist, according to The Times, will probably be appointed secretary of war, while Col. Winston (Continued From Page 1.)

Tew. Viscount Rothermere, who is a zealous economist, according to The Times, will probably be appointed secretary of war, while Col. Winston Spencer Churchill, the Present secre-tary of war, will go to the colonial office, as Viscount Milner, who holds that office, is anxious to retire. It is pointed out by The Times that the only difficulty attached to the re-turn of Viscount Rothermere to the ministry is his antagonism to Mr. Bonar Law, but, the newspaper says, the premier will find a formula en-abling them to work together, as Bonar Law is regarded as an indis-pensable member of the government. Ng decision has been reached re-garding a successor to Walter Hume

garding a successor to Walter Hume Long, who is expected to retire as first lord of the admiralty.

the strike, in the event they could not make a settlement. They say they are prepared for a bitter battle and would not have gone into it if they were not sure they could sustain the struggle. Large sums of money will be required to finance the strike. Confidence has been expressed that money will not be lack-The question of finances was discussed at the last meeting of the na-tional committee for organizing the

iron and steel workers. National headquarters of the steel workers were deserted today. All organizers were out in the fields holding or attempting to hold meetings. These gatherings were planned under the auspices of the national commit-
