Tricks in every trade.

You have heard that old saying—"There are tricks in every trade but mine."

When the 'prentice boy played tricks in the old time tailor shop, that was rather a harmless joke.

When a tailor plays tricks on his customers—that is no joke.

Often the tailor is not to blame.

How can he foresee the finished results—the "unavoidable" delays, the "extras" and so on that run up a big bill?

No risk whatever when you buy "Semi-ready."

WARING WON THE 'FRISCO

Tod Sloan's The Lady, Favorite, Was a Disappointment and Ran Unplaced.

ADVANCE GUARD OUTSIDE OF MONEY.

Burns' Handicap at Oakland Won by The Fretter at 7 to 1—Summaries and Entries.

San Francisco, Feb. 16.—Waring, with McCue in the saddle, took the San Francisco Handicap at Tanforan to-day. Sixteen horses started in the event, which was the richest ever contested for in California. A crowd of about 6000 persons gathered to witness the sport.

The Lady, ridden by Tod Sloan, her owner, was favorite, with the Hildreth pair, Waring and Vulcan second choices. Advance Guard received considerable support at 6 to 1. Jennings' trio, Vesuvian, Andrisa and Canmore, were held at 7 to 1.

After a brief delay Dwyer sent the field away to a good start, with Imperious showing in front. McCue sent Waring after him and assumed command in the first sixteenth. Imperious fell back and Beau Ormonde went after Waring, followed by The Lady and Specific.

Waring had a lead of two lengths in the back stretch and Specific went after him. McCue had Waring well in hand, however, and maintained his advance. In the stretch Specific tired and Vesuvian moved up. He could not catch Waring, who won easily by three lengths in 2.05½.

Specific was third, three lengths behind Vesuvian. Star Chamber, The Lady and Advance Guard finished noses apart.

Sam Hildreth intended to scratch Waring, but as the weather grew cloudy he thought it might rain and left him in. The Lady had no excuses, but did not respond as well as usual. Tod Sloan sold her after the race to Sam Hildreth. Fred Cook purchased the running qualities of Gonfalon before the handicap.

Other events resulted in good contests, but favorites fared badly. Pallucas fell carry in the steeplechase, but, riderless, went after the field and soon was in the lead. He led Credo by two lengths past the wire amid great applause. Lothian fell at the last jump, when he looked like the winner. Eva Mac was second and Periwig third. McMahan and Sutherland jockeys on Pallucas and Lothian, were not hurt.

Wyoming took the fifth race by a nose from Owensboro and Astor. Florizar at 15 to 1, took the last race from Janice and Montanic, the 2 to 5 favorite. Pupil, at 12 to 1, beat St. Cuthbert and Prejudice for the second. The trio finished heads apart.

Ada N. won the opening event from Seide and Grafter. The latter was favorite, but could not get up.

McCue had two mounts and won with both, riding in good form. He leaves tomorrow for Hamilton, Mont., en route to New York.

The judges allowed Wedderstrand to ride in the stake, having been served with a copy of the injunction secured in the Superior Court of San Francisco, restraining officials at both tracks from interfering with him riding pending decision as to the merits of the case. Wedderstrand is under suspension for his ride on Gold Or at Oakland.

Outsider Won Burns Handicap.

San Francisco, Feb. 16.—The Burns Handicap at Oakland to-day was won by The Fretter, a 7 to 1 chance, with Mounce in the saddle. He won handily by a length from Favonius, who with his stable companions, Bangor, Scotch Plaid and Mortgage, was held at 1 to 3.

To a good start the field went away with Mortgage and Sea Lion as pacemakers. Bullman moved up with Favonius on the backstretch. In the stretch Mortgage and Sea Lion fell back beaten. Mounce then made his move with The Fretter and, catching Favonius near the paddock, won cleverly. Favonius was four lengths in front of Joe Ripley, a 100 to 1 shot, who was pocketed in the stretch was reached.

The race was run in 2.07½, the track being slow. Bangor sulked all the way and finished fourth. About 2000 people were present. Favorites held their own, winning three events.

Mounce put on a clever ride on The Bobby, winning in the last stride from Bathos and Rollick. Maurice Eppinger bid up The Bobby $400 but the stable retained him.

Meehanna beat Maggie Davis and The Pride. The latter was favorite, but had too much weight. Ralston won cleverly from La Mascotta and Gold Newton, Jenkins landing the winner from Flora Pomona and Corrigan. Corrigan was favorite, but did not have much speed. Big won cleverly from Coming Event and Good Hope.

The Erstein Intrusive was the favorite at 7 to 5, while the Arthur entry was the second choice at 3 to 1. The winner turned up in Claies, who ran a very poor race the last time out. The Texas bred horse went to the front down the back stretch and was never headed, winning in a hard drive by two lengths from Intrusive. Prester, the extreme outsider, was a distant third. Taral left on the Hamburg-American Line steamship Pennsylvania, bound for Austria, where he will ride for Mr. Andre de Pechy whose he will ride for Mr. Andre de Pechy and Baron Sigmund de Uechtritz. It is said that he receives a retaining fee of $8000 from each of the Austrian turfmen. Sam Doggett, who left about a week ago, will ride for Mr. Nicholas de Szemere. It is said his contract calls for $8000. Both jockeys will have the privilege of betting if they so desire, but only thru their employers.

GOOD BOUTS AT THE ROYAL.

McConnell and Thompson Went 20 Rounds to a Draw, While O'Donnell Defeated Popp.

Referee Pasmore of Hamilton made the main bout at the Royal Theatre Saturday night a draw, and the decision was generally satisfactory. The contestants were Bobby Thompson of Toronto and Dan McConnell of Philadelphia. The Quaker was late in reaching the city and did not weigh in, while Thompson made the stipulated 138 lbs., looked in the better condition and a few pounds the lighter. Tho somewhat slow and failing to take many openings that were offered, the men put up a hard and fairly clever 20-round battle that pleased the crowd that filled the little theatre.

Johnny O'Donnell of Buffalo stopped Willie Popp in the main preliminary, or rather the referee sent the men to their corners, just before the bell rang, awarding O'Donnell the verdict. Popp had his man down twice in the first round, and the Bison scored most frequently up to the fifth, when Willie went down again with a jolt to the jaw. O'Donnell continued to improve, and in the 7th had Popp in distress. The bout was the cleverest imaginable, the visitor making a splendid impression by his skill and agression.

McEachern, Oakley and Joe Popp were behind in Thompson, while Richardson, O'Donnell and Farr were in McConnell's corner. They appeared slow for 4½ rounds, while trying out, and then the Quaker scored with two corking lefts. They were even up to the 10th, which was marked by a hot rally, Thompson to the body and McConnell several short lefts to the head. The 11th was Thompson's, due to telling right and left half-swings to the stomach and jaw.

They slowed up for five rounds, and in the 19th, and boxed hard for the decision at the finish. McConnell doing the more effective work. The referee announced that he could not separate them, and it was a draw.

Harley Davidson hurt his back, and instead there was a 4-round exhibition.

Kid McFadden Knocked Out.

Marietta, O. Feb. 16.—Andy Bezenah of Cincinnati knocked out Kid McFadden of Chicago in one round of fast fighting tonight. After a terrible pounding Bezenah landed right and left flooring McFadden, who could not rise on the count. All the city officials were present and there was no disposition to stop the contest.

Finale at Cincinnati.

Cincinnati, Feb. 16.—The training camps of Jeffries and Ruhlin are things of the past. Their smoldering fires are now reduced to ashes.

Saengerfest Hall was closed and dark to-day as usual. The garrulous Billy Brady left Kosevar a message, however. He left for New York at 6.30 last evening. He was asked while purchasing his ticket at the Big Four office about the $5000 forfeit money.

"I've got my share, $3750, in my pocket now," said he. "It was paid to me without kicking, and save only the slightest words of praise for the gentlemen of the Saengerfest Athletic Club."

Billy Madden and Gus Ruhlin were in the Big Four office later in the afternoon to get tickets for Marietta, O., where Ruhlin and Martin will soar to-morrow night. Madden said:

"These Cincinnati gentlemen have treated us on the square. They turned over $1250 to us to-day, our share of the forfeit money, without a murmur.

"We are not out in our visit to Cincinnati; on the other hand, we have made some money by it. We are willing at any time, if the Saengerfest people can arrange matters, to come back and carry out our part of the contract."

The Board of Directors of the Saengerfest Athletic Club announced to-night that, "as the Jeffries-Ruhlin contest had been abandoned, the purchasers of tickets will be reimbursed on Tuesday next."

Dimensions of Cup Defender.

Boston, Feb. 16.—George M. Punchon, head of one of the Chicago syndicates formed for the defence of the Canada's Cup next summer, has decided to make public the plan and dimensions of the boat, which will be built from Crowninshield's design.

None of the men mentioned is an advocate of secrecy in the matter of the construction of racing yachts, but they thought it best to postpone publicity until their Canadian rivals were far enough along with their boats to be unable to profit by any American wrinkles.

The syndicate, which is composed of George M. Punchon, Benjamin Carpenter and Morrill Dunn, was strongly in favor of a keel boat. She is 45 feet 3 inches over all, 28 feet on the waterline, 9 feet 5½ inches beam and 6 feet 9 inches draught. Her least freeboard is 2 feet. Her girth, according to the measurement rule, is 18.8 feet. Her frames are 1½ x 1⅝ inches, space 9 inches on centres amidships, and 10 inches at the ends. She will have 6000 pounds of lead on her keel.

The Illinois will carry 1348 square feet of sail, the greater part of which will be in the mainsail. She will have a very short bowsprit, and will altogether be an enlarged raceboat. With her large mainsail she will have great driving power, with just enough jib to balance her. She will have a double-ended mainsheet, which gives the advantage of being able to trim from either side of the boat, and also gives a hauling part always at hand.

OTTAWA BEAT SHAMROCKS

They Scored One Each in Full Time and After 20 Extra Minutes Deciding Goal Was Tallied.

RECORD CROWD FOR THE CAPITAL.

Aberdeens Played in London for the Carling Trophy—The Hockey Record.

Ottawa, Feb. 17.—The Ottawa hockey team last night defeated the Shamrocks of Montreal in a game here by a score of 2 goals to 1. This victory gives the Ottawas a clear title to the championship of the Amateur Hockey League of Canada. It was a decidedly keen, close and exciting contest, and it was only after the hardest kind of work that either team could secure a goal. The spectators numbered about 4000, and constituted the largest crowd of people that ever saw a hockey game in Ottawa. Neither team scored during the first half of the contest. At the end of the second half each side had one goal each. It was decided to play on and let the team getting another goal have the victory. After 20 minutes' extra work the Ottawas made a tally. The Shamrocks were heavier and speedier than the Ottawas, and showed lots of science in their work. The Ottawas, however, were very aggressive from start to finish, and by their dash and energy and fine team work succeeded in breaking up the Shamrocks' combinations. For the Ottawas, Duval at cover-point and Westwick on the forward line did particularly good work. Among the Shamrocks, Trihey and Brannen put up a brilliant game. The teams:

Ottawa (2)—Goal, B. Hutton; point, C. Spittal; cover, W. Duval; forwards, Smith, H. Westwick, H. Henry, M. Roger.

Shamrocks (1)—Goal, J. McKenna; point, F. Tansey; cover, M. Grant; forwards, J. Brannen, H. Trihey, F. Scanlan, A. Farrell.

Referee—A. McKerrow, Montreal. Umpires—Graham Drinkwater, Montreal, and H. Bunting, Toronto.

1. Ottawa	Henry	83 min.
2. Shamrocks	Scanlan	20 min.
3. Ottawa	Westwick	20 min.

Dominion 10, Imperial 2.

The Dominion Bank defeated the Imperial Bank in the Bankers' League at the Victoria Rink on Saturday afternoon by 10 to 2. At the half the Dominions had scored 4, while Imperial only got a single goal.

The game was slow and uninteresting, neither team playing with much snap, as the leaders felt they had a "cinch" and their opponents knew they had no chance. The crowd was not as large as usual on Saturdays. From the start off it was easy to see that Dominion had things their own way, and the games they scored came very easy.

The teams:

Dominion (10): Goal, Winchester; point, Morpny; cover, Keith; forwards, Miller, Cochran, Darling, Dawson.

Imperial (2): Goal, Lounsborough; point, Saunders; cover, Denison; forwards, Whitely, Rolph, Ridout, Sprague.

Referee—J. D. McMurrich. Umpires—Temple and McCord. Timers—H. G. Lewis and W. J. Morrison. Summary:

Varsity and Wellingtons To-Night.

To-night the Varsity and Wellingtons play their tie in the Toronto group of the Senior O.H.A. The winner goes into the final with Queen's. The match should be a fast one, and interesting one. Each team has a victory. The teams will line up as follows:

Wellingtons: Goal, Smart; cover-point, Ardagh; forwards, Wardell, Chadwick, Lemaitre, Hill.

Varsity: Goal, Hanley; point, Evans; cover-point, Wright; forwards, Snell, Gilbert, Gibson, Broder.

Aberdeens Draw at London.

London, Feb. 17.—The first game in a series of two for the Carling Trophy between the Aberdeens hockey team of Ottawa and London was played here Saturday evening before a large crowd, and resulted in a tie of each. The game was certainly the fastest ever seen on a London rink, and, had the London team been stronger in goal, the game would have been theirs, hands down. As it was, the players that represented London on the forward line and at cover-point skated rings around the Ottawa boys, and time and again shot on the Ottawa goal, but the marvelous work of Cope, the visitors' goalkeeper, saved a game which would otherwise have been a very one-sided exhibition. London lacked team work, never having been together before on the ice, but the individual play could not have been improved on. Some clever combination work by the visitors was seen in short-lived streaks, however, as the locals broke it repeatedly, and did not let it last long enough to count. Ottawa claimed a fifth goal shortly before the whistle blew, but the player was declared offside, and the referee disallowed it. No extra time was played to break the tie, both teams agreeing to call it a draw. The game on Monday evening promises to be even still more interesting. Two referees were on the boards—Jack Hobbs during the first half and Chittick of Ottawa during the last, and both were impartial.

Lornes Lost at Whitby.

Whitby, Feb. 16.—Captain Stewart's home team defeated the Lornes of Toronto on Barnes' Rink here this afternoon by 7 to 4. At the end of the first half the score stood 7 to 1 in favor of Whitby, but in the second half the visitors scored three goals. A large crowd witnessed the game, which was at times unnecessarily rough. F. F. Loosemore was referee.

Victoria Intermediates Lost.

Winnipeg, Feb. 16.—The Victoria Intermediate hockey team were defeated here to-night by Rat Portage by a score of 7 to 0. The score by no means indicated the game, which was on the Rat Portage end for the most part. The defeat was principally due to the absence of Maginn, Flett and Burke, who were recently classified as seniors. Rat Portage will likely get the intermediate championship, as they are practically certain of beating the Winnipeg intermediate on Monday night. Write

Montreal Whitewashed Quebec.

Montreal, Feb. 17.—The Montreal Hockey team whitewashed Quebec in the scheduled match in the senior championship series, which was played on the Arena ice on Saturday evening. The half-time score was 3 to 0, and 5 to 0 at the finish. The teams:

Grant Won Two Mile Run.

Boston, Feb. 16.—Fully 8000 people witnessed the twelfth annual indoor handicap games of the Boston Athletic Association at Mechanics' Hall here to-night. A world's indoor record was broken in the 45 yards low hurdles by F. C. Scheuber of Hopkinson School, who made the distance in 5 4-5 seconds in two consecutive heats, one of them being the semi-final. The event was won by W. B. Tewkesbury, University of Pennsylvania, who had been given a handicap of three feet. His time was 5 4-5 seconds.

ONLY BOYS' RECORDS LOWERED.

Bellefuille of Rat Portage Beat Pilkie and Drury in the Mile Open.

Montreal, Feb. 16.—The only records broken in the amateur skating championship races of America, held under the auspices of the National Amateur Skating Association to-day, were in the boys' events. The Canadian record of 1 minute 51 3-5 seconds, for the 880 yards, boys, was lowered to 1 minute 39 seconds, and in the one-mile, boys, 15 years old and under, a new record of 3 minutes 20 seconds was established, beating the American record of 3 minutes 31 3-5 seconds and the Canadian record of 3 minutes 20 3-5 seconds. The races, which were held under the direction of the National Skating Association of America and the Amateur Skating Association of Canada, were witnessed by a large crowd, and resulted in some exciting events. The United States was represented by J. W. Olmstead of Boston, Fred D. Gibbs of New York and F. R. Sagar and E. A. Thomas of New York. Most of the Canadian cracks were entered. The one-mile amateur was won by C. Bellefuille of Rat Portage, who defeated Pilkie and Drury, the fast Canadian skaters. Drury won the 880 yards.

In the three-mile race Sagar of New York would have won had he not slipped near the finish, allowing St. Marie of Montreal to finish first. E. A. Thomas of New York won the five-mile race, defeating A. E. Pilkie, the fast Canadian skater. The time was not exceptional.

Following is the summary:

220 yards—Fred J. Robson, Royal Canadian B.C., Toronto, 1; Larry C. Piper, Dan Y.M.C.A., Toronto, 2; W. Coldwell, Montreal A.A., 3. Time 30 2-5 seconds.

One mile—C. Bellefuille, Rat Portage, 1; Harry A. Pilkie, Montreal A. A., 2; Manson Bonnie Lissak, Montreal A.A., 3. Time 2.53 3-5.

880 yards, boys under 12 years and under—T. Gaudet, Montreal, 1; Paul Fafard, Montreal, 2; A. Moreau, Montreal, 3. Time 1.39. Beats Canadian record of 1.51 3-5.

880 yards, backwards—P. Fafard, Montreal, 1; Frank Stephen, Montreal, 2; W. Tilbault, Montreal, 3. Time 1.31 1-5.

880 yards—James Drury, Montreal, 1; W. Caldwell, Montreal, 2; F. J. Robson, Toronto, 3. Time 1.27 2-5.

One mile, boys 15 years and under—Oscar Beaudern, Montreal, 1; James Wells, Montreal, 2; James Bancroft, 3. Time 3.20, which lowers the American record of 3.31 3-5, and the Canadian record of 3.20 3-5.

Three miles—Z. P. St. Marie, Montreal, 1; F. R. Sagar, New York, 2; E. A. Thomas, New York, 3. Time 9.12.

220 yards, hurdles—Larry C. Piper, Toronto, 1; F. B. Irwin, Montreal, 2; R. T. Holcomb, Montreal, 3. Time .25 2-5 seconds.

Five miles—E. A. Thomas, New York A. C., 1; A. E. Pilkie, Montreal, 2; B. Spooner, Montreal, 3. Time 16.56 2-5.

And Then Arthur Laughed.

At times Arthur Irwin has no trouble to score a strike down the alleys of repartee. The other day a friend began to quiz him about the American Association, saying it would not amount to anything, and that its promoters would lose money. "There's one thing certain," retorted Irwin, "we aren't blowing in our dust to keep alive a three-act spectacular drama of 'Too Much Johnson.'"—Exchange.
