The estimates for maintenance were about the same as they were for last year, except in a few instances. Of the amount estimated, \$20,000 will be devoted to the payment of janitors' salaries, while \$16,000 will be used for the purchase of fuel. This is about \$2,000 more than was spent on coal lest years.

Langford stated that he did not be-lieve the board of education wanted to place any obstacles in the path of Western University. Mr. Landon told the committee that the collection would be stored in the first building erected by the university. For repairs and renewals \$12,000 will be spent, and \$2,700 will be devoted to paying taxes

The committee estimated the cost for water at \$1,900 for the year, while light and power wil cost \$1,600, according to the estimates.

Librarian Fred Landon appeared before the board on behalf of the board of governors of Western University, with the request that the old school building on Cheapside street be retained by the board for the present, in order that the university might continue its use for the housing of the Barnett collection. This collection, one of the most valuable of its kind in Canada, includes approximately 50,000 volumes, and at the present time the university has no place to store them.

Ald, Drake declared that the whole trouble was that people were putting too much garbage in the containers and it was impossible for the men to lift them. Mayor Little said the department should be placed on a business basis. He pointed out that several additions had been made to the collection area since the inception of the system, but that only one addition had system, but that only one addition had been made to the collection area since the inception of the make tracks to the railway station and leave for some other point. ANNUAL MEETING OF MISSION CIRCLE

Miss Anna Cameron Resigns After 22 Years' Service.

At the annual meeting of the Wort-ley Road Baptist Church Mission Circle held yesterday the members regretted very much to accept the resignation of Miss Anna Cameron, who for the past 22 years has been secretary of the circle. Miss Cameron remembers when the circle was constituted to the circle. Miss Cameron remembers when the circle was not quite so flourishing, but of late years she says the circle has been stimulated in pushing forward missionary work.

The last year of the Mission Circle has gone on record as being the most successful in the history of the circle The officers elected for the ensuing year are: President, Mrs. (Rev.) N. S. McKechnie: 1st vice-president, Miss Gould; 2nd vice-president, Mrs. J. A. Reed; secretary, Mrs. Watson, and treasurers, Mrs. Shosenburg and Mrs. Black.
