GENTLEMEN.—I like to play on your Organs the tone is so sweet and steady, and the workmanship and finish excellent, and in every particular they are equal, if not superior, to any I have ever heard. Hoping they will meet with public appreciation.

To the Managers Dominion Organ Co.

Bowmanville, Dec. 22nd, 1875.

GENTLEMEN.—I have much pleasure in testifying to the excellent qualities of the Organ supplied by you at my Concert last Saturday evening. The tone is sweet and very powerful, and the combination of stops most admirable. I am sure your instruments will find favor in Churches, as they are singularly adapted for sacred music. Wishing you every success, and that the public may patronize native manufacture.

I remain, Gentlemen, very respectfully, ROSA D'ERINA.
