

them ; 130 calls have been made on the women in their own homes after discharge, and 100 other calls in connection with the work. The police court has been visited two and three times a week. A number of women have received situations in the country, and from their letters we are greatly encouraged ; 13 women, former inmates of the Reformatory are now employed in the city and are doing well. We regret to have lost from our midst the help and leadership of our brother in Christ, W. H. Howland, Esq., who for so many years has been identified with this work. His health having somewhat failed, he resigned in the early part of this year, and before retiring from the superintendency, nominated in his stead Reuben Harvey, Esq., who has since ably filled the place. Mrs. Dr. T. F. Chamberlain has been appointed lady superintendent.

And now after another year's joys and sorrows, successes and failures, conflicts and conquests we lay all at the feet of our adorable Lord, grateful that He has allowed us to carry the Bread of Life to these our perishing sisters.

Respectfully submitted,

E. Y. SAMS,
Secretary.

Many times the question is asked, Do these women stand ? We can truly answer that where there has been at true conversion, the
