PEOPLE OFTEN SAY "How Are We To Know When The Kidneys Are Out Of Order?"

The location of the kidneys, close to the small of the back, renders the detection of kidney trouble a simple matter.

Backache is the signal sent out by the kidneys the minute they become overtaxed. Those who heed the warning when it first comes, usually have but little trouble.

The danger lies in delay. Doan's Kidney Pills stimulate the action of the kidneys, and enable them to perform their duty perfectly.

Mrs. Greig Murphy, Lower Ship Harbor East, N.S., writes: "I have used Doan's Kidney Pills in my family with great success, and don't think there is a better pill for the kidneys. I was very miserable with my back, and could hardly get about. I got a box, and tried them, and found that they were really good, so I took in all about six boxes, and soon found my back cured, and my kidneys as well as ever."

Doan's Kidney Pills are 50c per box, 6 boxes for \$1.25; for sale at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

HAD INDIGESTION FOR OVER 10 YEARS. ALMOST DESPAIRED OF EVER GETTING WELL.

Indigestion is one of the worst forms of stomach trouble. The stomach becomes upset and you have a raw, debilitating feeling in it.

After a meal you feel that you must get rid of that nasty, bilious, burning sensation. It is not necessary for you to be troubled with indigestion if you will only try that old and well-known remedy, Burdock Blood Bitters, which is a combination of nature's best known roots, herbs and barks for the cure of all stomach and blood troubles.

Mrs. Mary MacKay, Hunter's Mountain, N.S., writes: "I was troubled with indigestion for more than ten years. I tried several doctors' medicines claiming the power to cure, but all without success. Having heard of the many cures effected by Burdock Blood Bitters, I decided to give it a trial. After taking two bottles I was completely cured. My appetite which was very poor is now good, and I can eat most everything without any disagreeable feelings."

I can strongly recommend B.B.B. to anyone suffering from indigestion. B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
