

CAMPBELLTON PLAYS AT CHARLOTTETOWN TOMORROW NIGHT

SECOND GAME OF SEMI-FINAL ON SATURDAY

Truro Gets Edge In Nova Scotia Semi-Finals

THE first game of the semi-finals for the Maritime hockey title, now held by Truro Bearcats, will be played at Charlottetown on Thursday night of this week between the Abegweit, winners over Amherst last night, and Campbellton, New Brunswick champions. The second and final game will be staged in Campbellton on Saturday night. As Truro defeated Kentville, 4 to 3, on Kentville ice last night and have the edge for the Nova Scotia title in the game on their ice, it would appear that the winner of the Abegweit-Campbellton series will meet Truro in Truro on March 9, with the return game scheduled for March 11, according to M. A. H. A. officials.

Abegweit entered last night's game at Charlottetown with a six-goal margin, which they increased quite handsomely. Amherst fought hard, but were no match for the experienced Islanders. Much interest centres on what Campbellton can do against the Abegweit, but the impression that prevails here is that the Islanders will get the jump tomorrow night and make Campbellton work all the more difficult on Saturday night.

BATHURST TEAM HERE ON FRIDAY

North Shore Team to Appear in Exhibition Against Locals Here

Bathurst hockey team will be here to play the Saint John Capitals on Friday night in an exhibition game, making it a rather strenuous week for the local outfit. Last night they played a 1-all tie with Fredericton and tonight they are at Sussex for the second play-off game. In tackling Bathurst here Friday, they are meeting one of the best teams in New Brunswick, and one that fought its way through the season into the play-off for the North Shore title. They lost out to Chatham, who in turn later lost to Campbellton. Campbellton went on and won the Maritime title, so that they give a fairly good idea of Bathurst's ability. In the nets they have Fleming, the former Sussex net mender. The locals will have their best line-up for this game and as the season is rapidly drawing to a close a good crowd is expected.

GETS TROPHY

MONTREAL, March 3.—Clint Benedict, rangy goal keeper of the Montreal Maroons, was selected as the most useful player on his team in Montreal's game with the Pittsburgh Pirates. As the result of the vote of the committee, Benedict will receive the cup donated by Gilda Gray, former Ziegfeld Follies girl, who faced the puck at last night's game.

Stirling Raps Fredericton For Its "Unsportsmanlike" Conduct

Along The Sport Trail

By JOHN J. DUNLOP

THERE are few cities in Canada boasting better organization with respect to bowling and to our way of thinking there are few better recreations for the average fellow. You can get all the action you want on the alleys with arms, legs and wrists, for the game not only helps your wind but makes you limber and graceful on your feet. A noted bowler puts the case in this wise: "Unlike the old days, the alleys are now more or less of a meeting place for business and professional men. After a busy day at the office or about town they congregate at the alleys for an hour or two of much-needed recreation. All folk who are confined indoors and at desks in stuffy offices should have some form of recreation. And I know of none better than bowling. They used to call golf a 'rich man's game.' (It's still a bit expensive, too, I guess.) And therefore every Tom, Dick and Harry couldn't afford to play it. Bowling, however, is well within the means of all. It doesn't only develop one physically but tends to bring out one's sporting qualities, patience and perseverance. Moreover, you make friends on the alleys. In brief, I consider bowling the greatest pastime and the greatest exercise for the individual." Do you agree with that, you baseball, golf, hockey, track and field and swimming fans. Personally, we think swimming is the ideal exercise. Let's have your views, fans.

CONGRATULATIONS, Saint John High, for again winning the inter-scholastic basketball title in their section. It is quite a monotonous habit but this year's team has ably upheld Saint John High's prestige in this line of sport.

BY THE rather safe margin of 41 points, Trojan Seniors captured their fourth New Brunswick title in a row last night in vanquishing Woodstock. They won by a margin of 50 points, which was hardly expected in view of the defeat inflicted on them by Woodstock at Woodstock last week. That defeat, however, can be accounted for in three reasons, first, the extremely slippery condition of the floor there; second the absence of Beef Malcolm from the game, and third, the routing of the Woodstock fans. And those Woodstock fans sure know how to root for the home team and under its inspiration, they excel themselves even against a team of the Trojan's renown. There was not very much to it last night and the Trojan's ran up the cash register so fast that the fans lost all track of the count in the maze that developed. Just what kind of a showing the locals will make in the Dominion play-offs remains to be seen but if they are going away for their games, they will have to play an even better game than they did last night as they will not be facing any weak team by any means. In Plumpton and Wilson they have two agile forwards. Plumpton, a newcomer, shows great promise but has a tendency not to pass at critical moments that may prove costly in a hard-fought game. Wilson pulled off several great sideshots while Malcolm was all over the floor. Kerr and Hollies put up their usual defence. Local fans will await with interest the announcement of dates for the play-offs.

FREDERICTON'S speedy young hockey team and the Comets gave the fans a great run last night. The capital outfit should show better next year. Tonight, the Comets play in Sussex in a game that will settle second place.

Thrilling Overtime Staged In Capital-Saint John Game

Overtime failed to reach a decision in the Fredericton-Saint John hockey game at the Arena last evening but the fans present saw one of the fastest and most gripping contests of the year as two evenly-matched teams battled fiercely for the lead. The visitors had the edge in the first half, but the locals, led by the fast and accurate McPhee, fought back to tie the game at 1-1 in the second period. The visiting forward line had several youngsters but they showed up fast and gave McPhee little opportunity to loaf. Edgar Wade and Alden Clark stood out for the visitors while Brad Gilbert starred for the locals.

BOTH TALLY IN THIRD. Both teams tallied in the third period. Jimmy Mountain grabbed the puck near his own net and stick-handled his way cleverly through the entire Fredericton team to beat Feeney on a shot close in. Two minutes later Jimmie Sterling accepted a pass from behind.

HAMPTON DEFEATS CENTENARY, 6 TO 5

In the return match on Centenary last evening, Centenary badminton players again bowed to Hampton, 6 to 5. The scores were:

LADIES DOUBLES

Mrs. Mahony and Miss A. Broadbent lost to Miss L. Frost and Miss G. Frost (H) 15-8, 15-8.

MENS DOUBLES

R. Laskey and A. Nadeau (C), won from R. H. Ross and J. H. Ross (H) 15-10, 15-9.

MIXED DOUBLES

Mrs. Mahony and R. Laskey (C), lost to Miss G. Frost and R. H. Ross (H) 15-11, 15-11.

SINGLES, MENS

R. Laskey (C), lost to R. H. Ross (H) 15-12, 15-17.

GORMAN WON

ALBANY, N. Y., March 3.—Bud Gorman, of Kenosha, Wis., won a decision over Ray Neuman of Jersey City, N. J., in a 12-round bout here last night.

TROJANS WIN FOURTH TITLE IN SUCCESSION

Malcolm Stars As Locals Beat Woodstock, 73-23

TROJAN SENIORS, one of the greatest basketball teams ever banded together in a city noted for its prowess in this direction, are once more New Brunswick champions, winning their fourth consecutive title in a convincing manner last night before a packed audience in the Y. M. C. A. gym by defeating Woodstock Seniors, 73 to 23. This gives Trojans the right to represent the Maritimes in the play-offs for the Eastern Canada finals and the right to go west to meet the western winners for the Dominion title. Under the careful coaching of Hubert Nevers, the Trojans have developed an ideal combination that was greatly aided by the visitors, who although out-classed, were applauded for their efforts.

Trojans entered last night's game with a handicap of three points to overcome through Woodstock's unexpected victory last week, but the result was never in doubt right from the start as the Trojan juggernaut rolled up score after score with the brilliant "Beef" Malcolm playing one of the greatest games of his career. Malcolm scored 35 points for his team.

GOT FIRST SCORE

It was Malcolm who secured first blood after three minutes of hotly-contested play had gone by. Woodstock came back quickly on baskets by Jones and McKelney and then Plumpton cut their lead down to one point on a penalty shot. Malcolm put the Trojans in the lead with a great overhead shot and that was the lead the Trojans held for the rest of the game. Malcolm scored when Gordon Wilson made a great sideshot, his specialty. On the face of it, the Trojans had the ball clean up to Wilson, who ducked Jones' and made no mistake.

The Trojan center tackled on two more on a long range shot but Hayden pulled off a seemingly impossible shot from three-quarters down and equalized Malcolm's effort.

Hollies grabbed a pass from Wilson and scored on a drive from the basket. Jones added one on a penalty and Chandler got two more on a long drive. The Trojans then took a 10-0 lead, having four fouls against him, McGibbon taking his place. From then on, the Trojans steadily piled them up until final time found the scoreboard, Trojans 74, Woodstock 11.

FINAL PERIOD

Opening the final period, Woodstock ran their score up to 15 on baskets by MacGibbon and Jones. The Trojans appeared in this period in their new uniforms and to Malcolm went the honor of scoring the first score in the new togues. The big fellow showed up well in this period, being all over the floor and making very few mistakes. The locals played a great team game and counted up points with monotonous regularity. Plumpton and Wilson paired well on the forward line while Hollies and Kerr easily smothered the outside shots of the visiting team. The local defence was unbreakable.

For the visitors, McKelney and Jones showed up well. The team missed several chances to score on erratic shooting, and what other chances they did get were soon spoiled by Kerr and Hollies. Woodstock, however, fought to the last second and played fast, interesting basketball all the way. They pleased the fans by their aggressive work.

Ronald Shaw was the referee and his work with the whistle was highly commended by the fans. R. H. Christopher was scorer with Harold Sterling as timer.

In a preliminary game, the Trojan Rovers, champions of Saint John, played an all-star team the game being hotly contested throughout and very interesting to an audience that packed the gym. The Rovers won 20 to 12.

Bald Men Grow Hair

Surprising reports are coming from men who have used a new compound that grows hair on bald spots. "Four inches of hair have grown over what was a bald spot," is the report of G. W. Mitchell. "It had a large bald spot and bald, healthy hair has developed all over my head," writes C. F. Hales. Imagine the enthusiasm of Albert H. Flary when he reported: "My head was as bare as the bottom of my foot and now I have a good growth of hair." Dr. M. Schwartz reports that even with a second application of the compound his hair stopped falling; then a new growth started.

Anyone who is losing hair, or is bald may obtain a proof box of this compound free of duty and postpaid, merely by writing to Kotakko Offices, 3180, Station, L. New York.

An Uncrowned King

THE uncrowned king of the bantamweights, that title fits Bud Taylor perfectly. If he can ever get Charley Phil Rosenberg into the same ring, the pugilistic world will have a new champion. He holds a decision over Rosenberg, gained in 1923, before that mitt sinner had won the championship. Taylor's most notable performance of recent date was staged against Jimmy McLarin in California. He decisively defeated the coast sensation. Taylor is a two-fisted fighter and decidedly clever in addition. Handicapped by a bad shoulder he underwent an operation about a year ago that seems to have perfectly restored the use of the arm.

The late Pancho Villa is the only fighter to outsmart and outfight Taylor. He lost a decision to the Filipino in 12 rounds on June 10, 1924.

INTER-ASSOCIATION

In the Inter-Association Bowling League last night, St. Mary's band took three points from Y. M. H. A. Total score: St. Mary's, 1919; Y. M. H. A., 1296.

BATHURST WON

DORCHESTER, March 2.—The Bathurst High School hockey team defeated Dorchester High School here tonight 4 to 1, making the total for both home and home games 6 to 3 in favor of Bathurst.

Play-Off Series For Intermediates

The first game of a series of three games between the High School and Knox in the play-off for the city intermediate basketball title is scheduled to be played on the Y. M. C. A. floor this evening.

This is expected to be one of the best games that have been played in intermediate basketball in the city for some time.

Both teams are in top form and the spectators will be assured that there will be good fast ball.

The High School team have been sweeping everything in the inter-scholastic league, and they will try hard to make a clean sweep of this league.

PITTSBURG HARD ON BRUINS' HEELS

New York Beats Ottawa While Pirates Trim Maroons in Montreal

MONTREAL, March 3.—Results of last night's National League fixtures gave the Americans a triple victory for the first time during any one night this season. The games, however, failed to clarify the play-off situation. What little advantage there was in the results, went to Pittsburgh, as the Pirates' win over the Maroons, enabled them to hurdle one of the stiff obstacles facing them in their bid for a play-off position.

A win for Montreal tomorrow over Boston, after the Maroons have lost to Pittsburgh, will be a great help to the Pirates, in their fight with the Bruins.

STUART IN FIGHT

BOSTON, March 3.—Boston retained third position in the N. H. L. standing when they outplayed the Canadiens, winning by a score of 4-1.

Against the tough defence of Cleghorn and Hitchen, however, his brilliance was of little avail, and his team mate, Moreau, who was not able to get into the line-up on account of his injured ankle, was missed sorely.

SUSSEX AT BATHURST

Bathurst High entered the semi-final round last night by defeating Dorchester and will now be hosts to Sussex at Bathurst in a sudden death game on Friday night of this week at Bathurst, according to Mr. Stirling. It was originally intended to play a home and home series, beginning in Sussex tonight but the rink was not available owing to a scheduled game between Sussex and Saint John and the Kings county champions have agreed to go to Bathurst. Bathurst will help defray expenses. The winner of this game will meet the winner of St. Stephen-Fredericton contest for the school championship and the Telegraph-Journal and Times-Star trophy.

PIRATES WON

MONTREAL, March 3.—The Pittsburgh Pirates defeated the Montreal Maroons four to nothing here last night, in a listless game. Without Noble and Siebert, the local team's showing was a big disappointment to the seven thousand spectators.

OTTAWA, March 3.—The Senators let the New York Americans get away with an easy victory last night, when they were at the short end of a 3-1 score.

The tactics adopted by the Americans in the last period, displeased the crowd. For the entire twenty minutes they made no effort to attack any player who secured the puck, irrespective of his position, driving it up the ice. The last session was simply a procession of Ottawa players towards the New York net, but Forbes was on the job and they could not score.

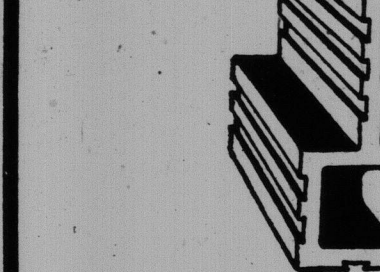

Forbes was the whole New York team, although Burch played a star game at centre. The remainder only went in spots.

Neighbor Clancy and Smith played well for the losers. Cooper Smeaton lacked a \$25 onto Clancy for talking back to him.

MUST DEFEND TITLE

NEW YORK, March 2.—The State Athletic Commission ruled today that Mickey Walker must arrange to defend his world's welterweight title against George Butch, St. Louis bantam, in a 10-round bout here last night. K. O. Phil Kaplan, New York, middleweight, outpointed Babe McGorgery, Kansas, in ten rounds.

The Piercey Supply Co., Ltd. Proved It!

Interlocking Tile makes a better wall material because, in addition to being fireproof, it is a non-conductor of heat and cold. To quote W. D. Piercey, M. P. P.:

"To further verify this, we would state that when the temperature inside is running as high as 180 degrees Fahrenheit, the outside walls (of Interlocking Tile) are cool, while the foundation walls of solid concrete, 13" in thickness, are distinctly warm."

Because it doesn't leak heat, Interlocking Tile is ideal for (1) Storage, safe from outside cold; (2) Kitchens, where inside heat is to be retained; (3) Residence and all buildings where cost of heating is a factor.

Let us quote cost of Interlocking Tile for your job.

SAYS HE NEVER SUSPENDED THE BORDER TEAM

Semi-Final For Telegraph-Times Trophy On Friday

ST. STEPHEN High School was never suspended, by Mr. Stirling, "was for a home and home series but then a sudden death game was agreed on in St. Stephen with Fredericton helping out on the expenses. This was played and a 2-all tie resulted. I ordered that the second game be played in Fredericton last night, but to this St. Stephen said they could not agree as to Tuesday but would play later in the week. I notified A. Williams, coach of the Fredericton team, to this effect and incidentally told him that if St. Stephen did not play the game at all, I would suspend them. But I never told them that St. Stephen would be suspended for not playing Tuesday night and it shows highly unsportsmanlike conduct on the part of Fredericton officials to twist my words to suit their purpose. I may say right here that I am getting tired of this sort of thing from Fredericton and the next break of this sort will find me using some drastic discipline. It was unsportsmanlike and unsportsmanlike for them to try and make St. Stephen play when they could not get away."
