EXTRA C. N. SERVICE

FROM MONCTON, PLAN

Sunday Train For Saint John In-

cluded in New Summer

Schedule

MONCTON, April 14-There are no

extensive changes in the train service contemplated in the new summer C. N. R. time table schedule for the At-

lantic region, which becomes effective in May, according to information ob-tained today at the regional headquar-

ters here.

The Ocean Limited and the Mari-

time Express remain on the same time but there is additional service to Prince

Edward Island and Saint John. The Sunday train arriving in Moncton from

that city about 1 o'clock in the after-noon will be put on again, leaving Moncton for Saint John at 4.50 o'clock

It is expected that this service will be augmented about the first of July by operating the present Nos. 13 and 14 express trains between Moncton and Saint John on Sundays, thus affording through connections with points east of her on that day. This cowice has

of her on that day. This service has not been decided upon definitely as yet,

P. E. ISLAND SERIVCE

is to be the same as that in force last year. The Maritime Express will give

connections at Sackville for Prince Ed-

ward Island and a second train will be

run from here following the Ocean Limited from Montreal in the after-

that a Point du Chene train will be operated on Wednesday and Saturday evening, leaving Point du Chene at 8 o'clock and returning from this city

Consolidated Cigar At New Low For Year; Other Issues Yield

Canadian Press MONTREAL, April 15 .- Stocks re-MONTREAL, April 15.—Stocks revealed an irregular trend at the opening of the Montreal Stock Exchange this morning, losses being slightly over the number of gains. Trading was confined for the most part in Brazilian, Winnipeg Rails, Smelters and Steamships, preferred. Brazilian opened at 85% for a loss of ½, sold at 89 later, but was back at 85% around ten thirty, while both Smelters and Steamships while both Smelters and Steamships preferred, were about steady around 203 and 68½, respectively. Winnipeg Rails and Royal Bank were the weak spots, the former being off one point at 48, and the latter off \(\frac{1}{2} \) at 251\(\frac{1}{2} \). Other changes were Steel of Canada off ¼ at 101½, and Brompton off ¼ at 31¼. Besco first preferred, was unchanged at 21 as was Lyall Construc-

Browning Did Not Mean to Marry "Cinderella" at Present -Investigation Drops

COLD SPRINGS, N. Y., April 15.-Edward W. Browning, 51, wealthy realty man, did not intend to marry his 15-year-old Cinderella girl, Frances
Heenan, at the present time, Francis C. Dale, Browning's lawyer, said yesterday. Mr. Dale said they would not have removed from New York to Putnam county and married hurriedly on last Saturday, but for the investigation of the children's court into the guard-ianship of the girl's mother, instigated by the Society for Prevention of Cruelty to Children. It is reported that
Mrs. Browning would go either to the
Saldane high school or the Cold Springs
high school next fall to continue her

Although the children's court hear ing was called for today, it was said the Society for Prevention of Cruelty to Children had practically withdrawn its complaint and that the society was prepared to admit that the basis for moved by the girl's marriage.
