LOCAL NEWS

The standing committees of the Fredericton diocesan symod concluded their meetings yesterday afternoon. The chief matter of interest yesterday was the suggestion that a clergyman be appointed as city missioner for St. John.

Arrangements were made for the calling of the executive to meet the Governors of Kings University.

Among the passengers on the steamer Montealm yesterday was Dr. C. Harris of Ottawa, who was returning from London after completing arrangements for the trip to Canada of the Seots Guards Band. Dr. Harris said that he hoped to bring the band to St. John during its fifty-seven days tour. They will sail from England in April and will be accompanied by Scottish dancors.

DO YOUR BOWELS MOVE REGULARLY, OR DO THEY BECOME CONSTIPATED

> There is no medium through which disease so often attacks the system as by allowing the bowels to become constipated, and there is no other trouble which flesh is heir to that is more liable to be neglected, because material inconvenience may not be felt, at once, from irregular action of the bowels. When there is not regular action the retention of the decayed and effete matter, with its poisonous gases, soon poisons the MILBURN'S LAXA-LIVER PILLS

> will regulate the flow of bile to act properly on the bowels, thus making them active and regular, and removing the constipation and all its allied troubles.
>
> Mr. Samuel Ruckler, Tatamagouche, N. S., writes: "For over a year I suffered with constipation. I took acveral different kinds of medicine, but could only get temporary relief. I was told to try Milburn's Laxa-Liver Pills. I procured two vials of them, but after I had taken one I found that I was relieved of my trouble. I do not hesitate to recommend Laxa-Liver Pills for any kind of

eonstipation."

Rheumatism

Remarkable Home Treatme Given by One Who Had It.

In the year of 1898 I was attacked by Muscular and Sub-Acute Rheuma tism. I suffered as only those what are thus afflicted know for over three are thus afflicted know for over three years. I tried remedy after remedy, but such relief as I obtained was only temporary. Finally, I found a treatment that cured me completely and such a pitiful condition has never returned. I have given it to a number who were terribly afflicted, even bedidden, some of them seventy to eighty years old, and the results were the same as in my own case. idden, some of them seventy to eighty years old, and the results were the same as in my own case.

I want every sufferer from any form of muscular and sub-acute (swelling at the joints) rheumatism, to try the great value of my improved "Home Treatment" for its remarkable healing power. Don't send a cent; simply mail your name and address, and I will send it free to try. After you have used it, and it has proven itself to be that long-looked for means of getting rid of such forms of rheumatism, you may send the price of it, One Dollar, but understand I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer, when relief is thus offered you free. Don't delay. Write today.
