## MOTHERS WERE THE GUESTS OF HONOR

Mother's Day was observed at the Waterloo street Baptist church yesterday in an especially elaborate fashion. The church was decorated with flowers and appropriate notices and, in front of the pulpit, a picture of "Mother" was surrounded with the Union Jack and had a wreath of evergreen in front of it. During the service four young ladies each placed a carnation on the wreath in memory of departed mothers while Rev. J. A. Sweetnam, pastor of the church, sang "Memories of Mother". At the morning service all the mothers in the congregation were seated as guests of honor at the front of the church, as well as some from the Old Ladies' Home and Home for Incubables. These old ladies were accompanied by the matrons of both institutions and they were brought to the church in automobiles loaned for the occasion and they were returned to the institutions after the service. All the mothers received bouquets of carnations when they entered, from a committee composed of young ladies of the church.

The three services at the Waterloo street church were largely attended yesterday. At the morning session the pastor delivered an eloquent address on "The Influence of Mother" and Mrs. S. G. Goss sang a solo. At the afternoon session Mr. Parker, of the Boys' Industrial Home, addressed the senior class of the Sunday school. In the evening the subject was "The Women of Today." The pastor divided his remarks into three sections, first, their appearance; second, their devotion to their children; third, their devotion. He said that the dress of women always had been an index to the morals. Morals of any period in the world's history, he said, could be known by the costumes which the women of that period wore.

**Visiting Clergy.**  
Several visiting clergymen were heard in the city pulpits yesterday, two having come to take part in anniversary services, and several of the city ministers exchanged pulpits.

The Baptist pastors observed their regular monthly exchange in the morning. Rev. A. L. Tedford, of the Tabernacle church, was in the Central church; Rev. C. T. Clark, of Fairville, was in the Tabernacle; Rev. F. H. Bone, of Central, occupied the pulpit of the Charlotte street church; Rev. C. R. Freeman, of the Charlotte street church, conducted the service in the Tabernacle; Rev. C. D. Hudson, of Victoria street, was the preacher in Germantown street in the morning and in the evening Rev. W. D. Wilson conducted the service, the pastor, Rev. S. S. Poole, being out of the city. Mr. Wilson was the preacher in the Victoria street church in the morning. Rev. W. H. Johnson, of Hampton, who was supplying in Main street in the absence of Rev. Dr. David Hutchinson, occupied the pulpit of the Fairville church in the morning, taking Dr. Hutchinson's place in the exchanges.

Ven. Archdeacon A. H. Crowfoot is in St. George assisting the rector of the parish, Rev. F. J. Leroy, in conducting a mission. Rev. Canon R. A. Armstrong, rector of Trinity, was the preacher in St. Paul's church in the morning and in the evening Rev. James Millidge conducted the service.

Rev. Dr. W. C. Kierstead, of Fredericton, occupied the pulpit of Knox church for both services in the absence of Rev. R. Moorhead Legate. Rev. J. J. King, of Zion Methodist church, exchanged with Rev. H. B. Clarke, of Portland church, for the morning service.

**Clergymen Here on Wedding Tour.**  
Rev. Spencer Crisp, nephew of Rev. Robert Crisp and son of the late Rev. James Crisp, was the preacher at the Marsh Bridge mission last night and delivered a strong gospel sermon. Mr. Crisp and his bride are in St. John on their wedding trip, his present church being at Grand Lake, Quebec county.

Rev. Robert Crisp last night drew attention to the fact there were present in the mission three representatives of fifty-one years ago, himself, one of the twelve, his nephew, son of his brother who had been a member of the party, and Mrs. W. C. Good, daughter of Rev. C. B. Berris, who had been another of the twelve. The good work of those original twelve was being carried on, though few of them survived.

The Ludlow street Baptist church celebrated its eighty-first anniversary with special services yesterday and the preacher for the occasion was Rev. Simon Spidle, M. A., Ph. D., of Acadia University, whose eloquence has won for him an enviable reputation. Congregations which thronged the church were present for each of the three services. The subject of the morning sermon was "The Divine Dynamic" and the special musical selections included a solo by Mrs. J. H. Shorvo. In the afternoon an open session of the Sunday school was held in the auditorium of the church and Dr. Spidle gave a memorable address on "World Making." The music was particularly fine and among the numbers given were vocal selections by the Lancaster ladies' trio, the McEachline Daley and a violin solo by C. E. Rupert. In the evening Dr. Spidle's subject was the "Office of Christian Love." Solos were sung at the evening service by Miss H. S. Mills and K. C. Parsons. A thank offering was taken and amounted to \$228, which sum will be devoted to church purposes.

Rev. Canon W. C. Vernon, general secretary of the council of social service of the Church of England in Canada, was the preacher in Trinity church yesterday morning and in St. John the Baptist church in the evening. He will speak in St. John's church and will meet the Fredericton diocesan committee for social service before going to Moncton on Wednesday.

The members of the Fairville Methodist Sunday school made a general response to the appeal for the Russian relief, and the special collection taken in the Sunday school yesterday for that purpose amounted to \$138.95.

## RADIO BUSINESS GROWTH.

Rapid Increase in Number of Manufacturers and Dealers.

In submitting national figures covering radio broadcasting, Arthur Wetsinger, director of the Bureau of Research and Information of the National Retail Dry Goods Association, indicates the surprisingly large growth which has taken place within a short space of time. The data, in the form of a comprehensive survey, have been compiled with

particular reference to the part that department stores play in radio merchandising. It is brought out that broadcasting stations of the standard 360-meter wavelength in the United States number over 100, representing a fifty per cent. increase within the last month. Department store broadcasting stations of this type are stated to have increased 100 per cent. during this period, and, at present, constitute thirteen per cent. of the total number. There are more than 200 manufacturers engaged in the manufacture of radio apparatus, according to

## About Bread -- and Other Foods --

Foods aren't all alike in value.

The next time you start to plan a "square meal," Mrs. Housewife, remember this—

It's quite easy to spend large sums on elaborate menus, and not get half the nourishment from them that you would from a meal of pure, wholesome bread.

Bread deserves a more prominent place on your table at every meal.

Instead of including bread somewhere in the menu, why not do as the Italians do—

Start with bread.

You will find it is the foundation of numberless appetizing dishes that cost but little.

Eat more bread—eat "Two slices where you now eat one."

St. John and Fairville baked Bread is Bread at its Best — always pure, tempting and nutritious.

the survey, and their number is growing.

An interesting fact brought out in the figures presented is that there are more broadcasting stations in the middle west and on the Pacific Coast than there are in the east. In each of these groups of states, the number of stations broadcasting is thirty-six, whereas there are only twenty-eight in the Atlantic seaboard group.

## Trans Canada Limited.

Effective May 21 from Montreal, Toronto and Vancouver, the "Trans-Canada Limited" train service will be re-established by the Canadian Pacific Railway Company.

This splendid train, carrying standard sleeping car equipment only and making the fastest time between terminals of any transcontinental train in America, leaves Montreal, Windsor street station, at 8 p.m., and Toronto, Union station, at 9 p.m., Eastern Standard Time, daily, commencing eighty-eight hours between Toronto and Vancouver, and ninety-two hours between Montreal and Vancouver, also reaching Winnipeg in forty-one, Regina in fifty-one, and Calgary in sixty-five hours.

The schedules are so arranged that train passes through all important points (commercial or tourist) at most convenient hours for entraining or detraining, and during the portion of the trip through the Canadian Rockies, open observation cars from Field to Revelstoke are a special feature. There is no extra charge made for this feature by Canadian Pacific.

Although this is the only deluxe train run in Canada in which sleeping car passengers only are carried, there is no special fare required to travel on same.

With the resumption of the full summer transcontinental service, the Canadian Pacific will leave at 8 a.m. every morning on its rails at various points between Montreal and Vancouver, among which are included eight "Trans-Canada" trains of all this vast fleet of trains the Trans-Canada is the "premier train."

## Consider Your Clothes An Investment

Some people know good investments. But a good investment is determined not by how much you pay, but how much you get for what you pay. No man ever made a better investment than to get his clothing and tailoring here, because you can get the most of everything that is essentially good for your money.

## Suits

Suits of the first quality in every grade. Every suit in the newest style, \$25 to \$55.

## MORNING NEWS

### OVER THE WIRES

Edward Fletcher, son of Michael Fletcher, of Nelson, was killed on Saturday morning. He fell under the wheel of a loaded cart and lived only a few minutes. He was fourteen years of age. Eldon Atkinson, while engaged in repair work in the Fraser Company's mill at Chatham Head on Sunday morning, met with a severe accident. A pulley fell on his foot and crushed it badly.

Two persons were killed and forty-five were injured when the Black Diamond express was wrecked at Leroy on Saturday. The dead are Thomas R. Brodie, of Leroy, and E. S. Croser, of Niagara Falls. Brodie was the driver of an automobile which was hit by the train. Of the injured, twenty-five cases were serious and it is believed that three will die.

### BOYS START \$150,000 BLAZE.

Boys' Results in Damage to Rooming House and Factories.

A fire, believed to have been due to a bonfire, started by boys in a lot caused a loss estimated at about \$150,000 in Brooklyn, N. Y. The flames were discovered in the rear of a wood shed in the back yard of premises.
