LOCAL NEWS

William Buchanan, who had his foot cut while working in a shipyard June 30, is resting comfortably at his home at 47 Market Place, West St. John.

SATURDAY'S RACES.
Una H., which won the colt race at Moospath on Saturday was driven by Mr. Huggard. The time made was 1:31 and 1:28 1-2, respectively for the two heats.

ATTENDED FUNERAL.
At the funeral of Frederick McCann on Saturday afternoon members of Cantilever Lodge, Brotherhood of Railway Trainmen, attended in a body in tribute to their comrade.

GOOD CROP NEWS.
Hartland Observer—Rains have improved the condition of crops to great extent. The staple products—barley, grain and potatoes—are looking fine, whereas had the dry weather continued longer light crops would be certain.

LATE FOR BUSINESS.
The I. C. R. suburban due in the city at 8:45 this morning, blew out a cylinder head at Hampton. Some suburbanites came to the city in automobiles and others in cars attached to the mill train that arrived at 10:15.

SOUTH END GAME TONIGHT.
There will be a lively game of basketball on the South End diamond this evening between two of the senior teams, and at its close there will be a brief discussion about getting South End athletes in training to compete in the Commercial Club sports.

FREDERICKTON MARKET.
Prices were as follows in Fredericton market on Saturday:—Butter, 50 cents; eggs, 50 to 60 cents; potatoes, \$3.50 per barrel; cultivated strawberries, 18 to 20 cents per box; chicken, 40 cents per pound; lamb, \$4 to 50 cents; veal, 9 to 10 cents; beef, 12 to 16 cents; mutton, 10 to 12 cents; live pigs, \$5 each.

NEWMAN BROOK WORK.
The water and sewerage department on Saturday completed the work of deepening the Newman brook about two feet, and Commissioner Jones said this morning that an appreciable increase in the flow of sewerage was noted. The matter of further deepening in order to take care of a new trunk sewer in that locality is under consideration.

NEW YORK SINGER HEARD.
Ernest W. Appleby of New York, who was in the city yesterday, sang in the Queen Square Methodist church yesterday morning and in Centenary in the evening, and large congregations were delighted with his voice and art. When at home Mr. Appleby sings in the Church of the Intercession, at the corner of Broadway and 10th street, one of the largest Episcopal churches in New York.

RETURNED SOLDIER VOTE.
Returned soldiers will be qualified to vote in next Saturday's referendum, even though their names are not included in the voters' lists. All that is necessary is to produce their discharge papers or record of service and prove their residence in the province previous to their enlistment, this to the returning officer at the polling station in which they will vote.

DOLAN-FAHEY.
In the Cathedral of the Immaculate Conception this morning at 6 a. m. Mary Agnes Fahey became the bride of Dr. Raymond John Dolan. The ceremony was performed with musical mass by Rev. Raymond McCarthy. The bride was becomingly attired in a suit of navy blue with hat to match and carried a white prayer book. The bride and groom were supported by Mr. and Mrs. Driscoll of Moncton. After the ceremony a hearty wedding breakfast was served at the home of Mr. and Mrs. J. W. Boyd, 108 Millidge avenue. Doctor and Mrs. Dolan left on the Halifax train this afternoon for a trip through the maritime provinces, followed by the best wishes of a large circle of friends.

CARQUET RAILWAY.
Bathurst Northern Light—With the actual transfer of the Carquet and Government Railway to the federal government system only a few days old, so to speak, the report is authoritatively circulated that five new passenger cars, four new locomotives, and forty thousand ties have been ordered, as a sort of preliminary skirmish with the problem of organizing the work of putting the road into proper condition. It is also understood that the new branch line of the government system will be operated from Campbellton by Superintendent Martin of that division, that the trains will be "dispatched" from that point, and that the general headquarters of the line will centre there.

MRS. ELIZABETH A. BARBOUR.
Many today learned with regret of the death of Mrs. Elizabeth A. Barbour, widow of George L. Barbour, which occurred early this morning at her home, 99 Hazen street. Mrs. Barbour had not been in good health for some little time, yet it was not thought the end of her useful life was so close at hand. She was a daughter of the late Alexander Thompson of Nashwaakits, York county, and leaves one daughter, Miss Mabel G. Barbour, at home, and three sons. The latter are Frank A. of Boston, consulting engineer on water and sewerage construction, and who was the engineer in charge of the big water extension work here some years ago; G. E. Barbour, president of G. E. Barbour Co. Ltd., wholesale grocers, St. John; and Fred T. Barbour, also of the city. Senator P. P. Thompson of Fredericton, is a brother and Mrs. G. H. Davis, of Denver, Colorado, a sister. Mrs. Barbour was a member of Centenary Methodist church. A woman of marked strength of character, a devoted mother, she will be greatly missed and those bereaved will have the deep sympathy of many friends. The funeral will be on next Wednesday, 2:30 p. m., from her late home, No. 99 Hazen street.

TO PROCEED WITH PRINCE WILLIAM ST.

Committee of Council Recommends a Bituminous Base for Paving.

The Cement Shortage—Military Claim is Not Agreed to—Tenders Called for Painting Engine House.

The regular committee meeting of the common council was held this morning with the mayor presiding and all the commissioners in attendance. On account of the difficulty in procuring cement, the committee recommended that the pavement of Prince William street be proceeded with, using a bituminous base instead of concrete.

Commissioner Bullock asked for authority to purchase a section for the air pump on the Governor's Carleton. It was decided to call for tenders. The estimated cost is \$800 to \$900.

Reporting on a claim made by J. B. Devere for \$200 for damage done to an automobile belonging to the department of militia, Commissioner Bullock read a letter from the city solicitor which said that after investigating the claim he was of the opinion that the department had no claim against the city. On motion a reply to this effect was ordered sent to Mr. Devere.

Mr. Bullock read a letter from H. A. Porter offering \$100 for city lots now leased to T. McAvity & Sonson which the Vulcan Foundry stands, and \$50 for a lot adjoining. This was recommended to council.

Commissioner Frink submitted a report from the road engineer recommending the laying of a bituminous base for the Prince William street paving in place of concrete on account of the shortage of cement. This would reduce the requirements of cement from 1,200 to 800 barrels required for the track sections. While the foundation would not be rigid, it would be more easily repaired than concrete. He moved that the work be carried out. This was carried.

Commissioner Frink moved for an order-in-council authorizing him to purchase cement at \$4.12 a barrel and asked for authority to purchase 500 barrels at a price not exceeding \$5 a barrel. This was passed.

Commissioner Thornton was authorized to call for tenders for painting New fire station, City road.

An application from the Atlantic Motor Sales Co. to install a gasoline tank on their premises, Portland street, was referred to Commissioner Thornton for report.

WEST SIDE WATER EXTENSION IS RECOMMENDED

Commissioner Jones' Resolution Passes Committee—Plans for 36-Inch Pipe to Spruce Lake—Revenue Will More Than Take Care of Cost.

The city this morning took its first step towards the improvement of the west side water system by the laying of a 36-inch concrete pipe from Spruce Lake, when Commissioner Jones' motion that the work be commenced was recommended to council. The work will entail the laying of about 22,000 feet of 36-inch reinforced lock-joint concrete pipe from Manchester's corner to the Lake at an estimated cost of about \$387,000.

Mr. Jones said there was a necessity for the work and it should be gone ahead with at once. He read a letter from the Nashwaak Pulp and Paper Company, submitting the following offer: The city can cancel existing contract and make a new one on the following basis: For the first 1,000,000 gallons a day on a basis of \$2.00 per annum; anything in excess of this quantity to be paid for at the rate of one-half cent a thousand gallons, the city to guarantee up to 4,000,000 gallons a day.

Mr. Jones said there was ample justification outside the pulp mill requirements for the extension.

Commissioner Frink thought that the erection of a stand pipe might protect the areas not now adequately served and that the proposed extension might be carried out when financial conditions might be better.

Commissioner Jones said that the revenue in sight would not only pay for the work and provide a surplus of about \$4,000 a year.

Commissioner Jones moved that the work be proceeded with provided a satisfactory arrangement be made with the Nashwaak Pulp and Paper Co., that plans be prepared by the city engineer and that tenders be called for. This was recommended to council.

HAMPTON MASONS IN CHURCH PARADE

The annual church parade of Corinthian Lodge, No. 18, Free and Accepted Masons, was held yesterday afternoon in Hampton, and service was conducted in the Chapel of the Messiah by Rev. C. Gordon Lawrence, rector. The parade started at the Masonic hall on Linden street to Front street, and to the church where a special Masonic service was carried out. Special music was sung by the choir. The first lesson was read by Worshipful Master S. H. Flewelling, after which Rev. Mr. Lawrence delivered an inspiring sermon from the text "Study to show yourself approved unto God, workmen that need not be ashamed." After the service the members of the lodge in their new regalia formed up outside the church and after marching around the block, proceeded to the hall. This is the first church parade since the outbreak of the war. A representative number of members attended the service.

Homes Better than Grandma Had

The home in which your grandparents were reared was no doubt neat and comfortable, but you would never be satisfied to live amidst such surroundings because you have access to features in home furnishings which your grandparents never dreamed of possessing.

The higher your ideals, the higher your plane in life. If you start your career by fulfilling your ideal for a beautiful home, you have won in the first battle with the world, and the succeeding battles are all the easier.

A home to be properly furnished must harmonize. The walls, the rugs and the draperies must blend with the style and finish of the furniture if good taste is not to be affronted.

A few years ago it was necessary to employ an expensive advisor to furnish a home properly, but today this service is granted free. You have but to ask our advice and it is cheerfully given to the most minute detail. Whether you follow this advice is optional with you. We are here to serve to our utmost, and in serving we strive first of all to please.
