R. K. Y. C. Races.

The race for the Gregory cup at the R. K. Y. C. at Millidgeville on Coronation day was won by the Chinook, owned by Church brothers, with J. Prosser's Mona second and the Canoe, owned by Louis D. Munro, third. The Chinook won by two minutes and ten seconds over the Mona. The winner has to defend the cup against challengers this summer. The race for sailing dories was won by Blizard and McAvity's craft with J. Gordon Lacey second, Dr. Merrill third, Kimball and Allison fourth, and K. L. Golding fifth. The race was very interesting between the first three boats and might have had a different ending had not Gordon Lacey rounded a wrong buoy that took him considerably out of his course. The second race will be sailed this afternoon and should prove much closer.

CALAIS TEAM HERE FOR GAME TODAY

The Marathon Team's Line-up—
New Catcher to Report Next Week—Joe Page's Plans

Today's train from the border brought the fast Calais baseball team and a great game is expected when they meet the Marathon team this afternoon on the Marathon grounds. Winter, the ex-Boston American leaguer, will be in the box for the Greys while the two for the visiting team will probably be Kite or Ryan. Since the arrival of the new players for the Marathon team is now in a position to give any team in the league a hard game, and as the Calais team is both fast in the field and capable of the bat, this afternoon's game should be well worth seeing.

The game will be called at 3 o'clock sharp, as it is an all-star game to get away early. The Marathons will line up as follows: the players being named in the order in which they will bat; 1st base: Winter; 2nd base: Williams; 3rd base: Donnelly; 1st base: Riley; short stop: Dr. Malcolm; left field: Lynch; centre field: Tardiff; right field: Rootes or Nelson catchers.

The Marathons have signed a new catcher and he will report early next week. The new man is Larry Conley, a catcher, who has figured in New York. Conley is said to be a very heavy batter.

Joe Page, the new man of the St. John's, said yesterday that he would be several new players here. John Mulvey, third baseman with Columbia College, has already been secured, as have Sabourin, Brodeur, Felders, with the Canadians, who played here a few weeks ago. Dr. Hite who has a good record, is expected to arrive today. He will act as a collegue for Ford in the pitching box. Mr. Page has been granted leave of absence from the C. P. E. for the summer months, and will devote his time to baseball.

WOULD VERY OFTEN FAINT AWAY.

Doctor Said That Sometime He Would Never Come Out of One.

Many people may be unaware of having anything wrong with their heart till some little excitement, overwork, or confinement in an overheated or overcrowded room or public building makes them feel faint or dizzy.

If you neglect the warning the slight feeling of dizziness gives you, and fail to take treatment, there will be a gradual progression to something more serious. There is no reason you should wait till your case becomes desperate before you avail yourself of a perfect cure by using Milburn's Heart and Nerve Pills.

Mr. F. S. Milburn, Ont. writes:—"I had a terrible headache and would very often faint away. I would never come out of one of them. After taking three boxes of your pills I am glad to relate that I have had a fainting spell scarcely have had a headache since. I cannot be said in praise of Milburn's Heart and Nerve Pills for in me they have effected a perfect cure."

AMUSEMENTS FOR OURSELVES AND OTHERS

OPERA HOUSE.

A fair sized audience greeted the performance of Uncle Tom's Cabin at the Opera House last evening. The work of the cast seemed to please. H. Mack, as was planned, made himself disliked in the disagreeable role of Simon Legree, and Joe Hall showed comic ability in the part of the primitive, the foreman of the Mark, the lawyer. Howard Tozier, as St. Clair, Albert Polt as George Shelby, Fred Bennett in the title role did good work and received good support. There will be a matinee today and a performance tonight.

NICKEL.

This is expected to be an eventful day at the Nickel. Seldom does such an excellent programme of music songs and motographs offer as delighted audiences yesterday could testify. Send the little ones to the matinee to see the famous picture, Back to the Primitive, the foreman of the Mark, the lawyer. Howard Tozier, as St. Clair, Albert Polt as George Shelby, Fred Bennett in the title role did good work and received good support. There will be a matinee today and a performance tonight.

THE LYRIC.

The Lyric Theatre will continue to present its holiday features today and they are such that the management advise all to make an effort to see them. Julius Roth, the world's greatest walker, gave an account of his journey yesterday, and audiences that listened with great interest as the lecturer vividly told of the many adventures he has so far met with. Whitey's Musical Comedy is voted to be one of the best acts ever seen at the Lyric. This will be presented for the last time tonight, and the last showing of the most important factors of the Coronation Ceremony. On Monday Bird and Vance will be hand with some funny stories and novelty songs.
