For the Cook

Sugar Cookies

One cup sugar, 1/2 cup butter, 1 egg, 1/2 cup sweet milk, 3/4 cups flour, 2 teaspoons cream tartar, 1 teaspoon soda. Sift cream tartar and soda with flour. One teaspoon vanilla. Roll out thin.

Filling for Cookies—One cup chopped raisins, 1/2 cup sugar, 8 teaspoons flour, mixed with a little cold water, 1/2 cup hot water. Cook on top of stove until it thickens. Put a small spoonful on each cookie, then put another cookie on top and bake.

Soft Molasses Cookies

Mix 2 cups molasses, 1 cup brown sugar, 1 cup lard, 1 cup sour milk, 1 teaspoon ginger, 2 even tablespoons of soda. Mix stiff and let stand over night. Roll out fairly thick. Be careful not to burn, as anything sweetened with molasses burns easily. These may be sprinkled with sugar before baking.

Doctors Said He Had Dropsy

Some time ago I had an attack of dropsy which finally settled in my kidneys and bladder. I doctored with the doctors and they claimed I had dropsy. I tried other remedies and got no relief from any of them. My condition was such that I was unable to work for about two months and the annoying symptoms caused me a great deal of trouble and pain. I was hardly able to turn over in bed. Seeing one of your Almanacs, I decided to give Dr. Kilmer's Swamp-Root a trial and after taking several bottles was able to resume my work again. I cannot say too much in praise of your Swamp-Root as the results in my case were truly wonderful.

Yours very truly,

ROBERT BALLARD,

Mansfield, Pa.

RAY C. LONGBOTHUM,

SEES NEW POLYGAAMY.

Present Divorce System Merely "Trial Marriage."

Minneapolis, Nov. 18.—"The number of divorces granted in America is an evidence that we favor trial marriage, and that we are practicing progressive polygamy," said Bishop J. N. McCor-mick of Grand Rapids in an address before the International Purty Congress. "America is held up, and rightly, as the land of easy divorce."

One of the causes of divorce is the flippant attitude we adopt toward it. Men and women actually boast of the number of their marriages. "If we would spend less time on the problem of divorce, and more on the problem of marriage, the world would be better off."

"Make our homes more attractive, and cultivate the old-fashioned virtues of patience, contentment, self-sacrifice, and Christian charity, and the divorce will soon disappear."

"A step which will aid in its solution would be for the clergy of all churches to agree not to marry persons who could not be married in their own church."

NEW PENNA. LABOR LAWS

CURTAIN WOMEN'S WORK

Philadelphia, Nov. 18.—The enforcement of the new law regulating the employment of women in Pennsylvania may result in hundreds of women losing their places in Philadelphia hotels. The main feature of the law is that no woman can work more than fifty-four hours a week or more than ten hours a day; nor can they work more than six days in any one week. According to Mahlon W. Newton, president of the Philadelphia Hotel Association, the number of women thrown out of work will be at least 600 and may be much greater. The hotel managers, he said, are willing to retain the women but because of the necessity of hiring extra help where women are employed wages will be reduced. In consequence, he said, some of the women, unable to live comfortably on less money, will enter other occupations. Men and boys will take the places of the women.

SAYS WOMEN ARE CEASING

TO WEAR FEATHERS

Washington, Nov. 18.—Women are abandoning the feathers of birds on headgear, as decorations, according to Dr. Joseph Acklen of Nashville, Tenn., who is here to assume his duties as chief warden of the United States to enforce the recently enacted migratory bird protection law. Colonel Acklen, who is to serve without pay, expects to visit every section of the state, enlisting game wardens and the various sportsmen's organizations in the work. The change in feminine fashion and the gradual abandonment of furs and feathers in the decoration of women's hats, the colonel believes, however, is the most hopeful sign he has seen in his work thus far.

Women Police for Calgary

Calgary, Alta., Nov. 18.—Calgary is to have women policemen. Chief Cuddy has so decided after hearing arguments of a delegation from the local council of women. The women will be called upon to do special detective and perhaps some rescue work. Immorality cases are to be their specialty.

The soil around blackberry bushes should be cultivated very shallow, so as not to disturb the roots, as the breaking of the roots starts a large number of suckers that have to be cut and destroyed.

"I am feeling fine and trust many more may use your splendid product and be restored to health again, as I have."

Duffy's Pure Malt Whiskey

If every man and woman in the United States would only appreciate what this great family medicine does toward building up the system, much of the illness would be avoided. When people get sick they blame different causes, but if they would only stop and think, the chief cause is the system is not allowed to run down; the blood becomes thin, the digestive organs are not strong enough to do their work properly, the tissues become weakened, the kidneys are unable to carry off the waste matter. The result is pains, aches and all kinds of troubles. Just give your system a chance; build it up by taking Duffy's Pure Malt Whiskey as directed; it will build new tissue, by helping the stomach to digest the food, strengthen the heart action, enrich the blood and invigorate the body, brain and nerves.

Sold in SEALED BOTTLES ONLY by most druggists, dealers and hotels. Our doctors will send you advice free, together with a valuable illustrated medical booklet on application.
