

nations have now all successful and attractive schools in operation, it was natural that the children should prefer going there. It was therefore resolved to close the school in the meantime; and much as this is to be regretted, no other course seemed open.

One hundred volumes of the library were transferred to Mr. Diprose's School, and the amount collected during the year (\$10.20) handed to the Treasurer of the Central School.

MISS CLARK, MR. D. CAMPBELL,
MRS. SIMPSON, MR. J. CAMPBELL.
J. CAMPBELL, SECRETARY.

WESTMINSTER BRANCH SCHOOL.

Report of Westminster School for Year Ending Dec., 1876.

We regret a decrease of eight names from our roll since last year. This may be accounted for from the fact that within the past year a new Methodist Church has been erected in our vicinity, with a large, flourishing Sabbath School in connection with it. But may the Lord still bless us and the little band who attend the school, so that we may go on working for the Master while it is day.

Number of children on the Roll, 32: boys, 15; girls, 17; average attendance during the year, 25.

Number of volumes in library, 150. One hundred books were received from Mr. Campbell, Petersville, for which we desire to return our sincere thanks.

Amount of collection, \$11.32.
