KANSAS CITY, Jan. 16 .- Saturday and Sunday nights were the coldest ever experienced in this section. The reports that come from Western Kansas are appalling. The blizzards that raged through that section a few days ago left the people in such a bad condition that they were mable to stand the severe weather of the past six hours, and a large number of deaths from cold and starvation occurred. A carlead of provisions was started yesterday from Wichita to Ashland, but the storm stopped the train. It is estimated that 3000 people in Clark County are in a destitute condition, and unless immediate relief is afforded the number of deaths will be fourful.
