Parks' Cotton Yarns!

Awarded the Only Medal Given at the
Centennial Exhibition
For Cotton Yarns of Canadian Manufacture.
Nos. 5's to 10's.
WHITE, BLUE, RED, ORANGE AND GREEN.
Made of Good American Cotton with great care
Correctly numbered and Warranted Full
Length and Weight.
WE would ask the purchasers of Cotton Warp
to remember that our Yarn is spun on Three-
Frame, which make a stronger yarn than the
Ring Frames, used in making American yarn.
It is also better twisted and more carefully reeled;
each hank being tied up in 7 leas of 120
yards each. This makes it much more easy to
wind than when it is put up without leas - as the
American is - and also saves a great deal of
waste.
Those acquainted with weaving will understand
the great advantage it is to them to use yarn put
up in this manner.
COTTON CARPET WARP,
Made of 10's to 10 Yarn, 4-Ply Twisted.
WHITE, RED, BROWN, SLATE, &c.
All fast colors.
Each 5 lb bundle contains 10,000 yards in
length and will make a length of Carpet in pro-
portion to the number of ends in width.
We have just more twist into this warp than it
formerly had, and it will now make a more du-
rable Carpet than can be made with any other ma-
terial. Since its introduction by us, a few years
ago, it has come into very general use throughout
the country.
All our goods have our name and address upon
them. None others are genuine.

THE GREAT CAUSE OF HUMAN MISERY.

We have recently published a new edition
of Dr. CURRIE'S CELEBRATED ESSAY
of the radical and permanent cure (without
medicines) of Nervous Debility, Mental and Phy-
sical Incapacity, impediments to Marriage, etc
resulting from excesses.
\$2-Price, in a sealed envelope, only 6 cents,
or two postage stamps.
The celebrated author in this admirable Essay
clearly demonstrates, from thirty years successful
practice, that alarming consequences may be rad-
ically cured, without the dangerous use of inter-
nal medicines, or the application of the knife;
pointing out a mode of cure at once simple, cer-
tain and effectual, by means of which every suf-
ferer, no matter what his condition may be, may
cure himself cheaply, privately and radically.
This Lecture should be in the hands of
every youth and man in the land.
