

The gale at Toronto and vicinity was very destructive. The gas works, general hospital and normal school were seriously damaged.—Loss \$100,000.

From Hamilton we learn, that the steamer Acadia, pleasure steamer, Transit, and the schooner Florence, were driven ashore during the recent storm.

Prospectus for 1874—Seventh Year.

## The Aldine,

AN ILLUSTRATED MONTHLY JOURNAL, UNRIVALLED BY ANY PUBLISHED PERIODICAL IN THE WORLD, A REPRESENTATIVE AND CHAMPION OF AMERICAN TASTE.

Not for Sale in Book or News Stores.

THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of prose, light and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. The possessor of a complete volume cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, there are the chromos besides!

ART DEPARTMENT, 1874.

The illustrations of THE ALDINE have won a world-wide reputation, and in the art-centres of Europe it is an admitted fact that its wood cuts are examples of the highest perfection ever attained. The common prejudice in favor of "steel plates," is rapidly yielding to a more educated and discriminating taste which recognizes the advantages of superior artistic quality with greater facility of production. The wood-cuts of THE ALDINE possess all the delicacy and elaborate finish of the most costly steel plate while they afford a better rendering of the artist's original.

In addition to designs by the members of the National Academy, and other noted American artists, THE ALDINE will reproduce examples of the best foreign masters, selected with a view of the highest artistic success and greatest general interest. Thus the subscriber to THE ALDINE will, at a trifling cost, enjoy in his own home the pleasures and refining influences of true art.

The quarterly tinted plates for 1874 will be by Thomas Moran and J. D. Woodward.

The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attractions any of its predecessors.

PREMIUM FOR 1874.

Every subscriber to THE ALDINE for the year 1874 will receive a pair of chromos. The original pictures were painted in oil for the publishers of THE ALDINE, by Thomas Moran, whose great Colorado picture was purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One is a view in the White Mountains, New Hampshire; the other gives The Cliffs of Green River, Wyoming Territory. The difference in the nature of the scenes themselves is a pleasing contrast, and affords a good display of the artists' scope and coloring. The chromos are each worked from thirty distinct plates, and are in size (12x16) and appearance exact fac-similes of the originals. The presentation of a worthy example of America's greatest landscape painter to the subscribers of THE ALDINE was a bold but peculiarly happy idea, and its successful realization is attested by the following testimonial over the signature of Mr. Moran himself.

NEWARK, N. J., Sept. 29th, 1873.  
Messrs. James Sutton & Co.,  
Gentlemen:—I am delighted with the profits in color of your chromos. They are wonderful reproductions of the original paintings.  
Very respectfully,  
THOS. MORAN.

TERMS.

\$5 per annum in advance, with 60 Chromos free. For 50 CENTS EXTRA, the chromos will be sent mounted, varnished and prepaid by mail.

THE ALDINE will, hereafter, be obtainable only by subscription. There will be no reduced or club rate; cash for subscriptions must be sent to the publishers direct, or handed to the local canvasser, without responsibility to the publishers, except in cases where the certificate is given, bearing the fac-simile signature of JAMES SUTTON & CO.

Dr. J. Walker's California Vinegar Bitter

is a purely vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California; the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.

No Person can take these Bitters according to directions, and remain long unwell, provided their bowels are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the off-branches of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofulu, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Glands, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c., &c. In these, as in all other constitutional Diseases, Walker's VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Spleen, Bilious Disorders, no equal. Such Disorders are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plasters, Typo-setters, Gold-beaters, and Miners, as they advance in life are subjected to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Boils, Spots, Pimples, Pustules, Blisters, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurvy, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vomitings, no an-helmintics, will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Jaundice.—In all cases of jaundice, rest assured that your liver is not doing its work. The only sensible treatment is to promote the secretion of the bile and favor its removal. For this purpose use VINEGAR BITTERS.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is found your feelings tell you when. Keep the blood pure, and the health of the system will follow.
