1 was a tramp?"
"Well, you didn't look very prosperous, she reminded him, "but you were John to me, and I'd have married you had you been a beggar. I have made a little money teaching, and I knew that I had enough for two." "I think," he laughed, as he shoot the hand of the still astonished min

ister, "that I have more than enough Then they went back to the Poters

"I hope," said Mrs. Peters tartir from the doorway, "that you have my blue bowl. It belonged to Gran'ma Bas-sett's father. I told pa you was gold to carry it off."

"The boy! must be down by the gerden gate," smiled Riscom, "what I want to carry away is Ruth."

New the For It.

The regular meeting of the vilinge debating society was in full blast, and the question for discussion was, "Ite solved that a monarchy is a stronger form of government than a republic. One of the speakers on the affirmative side, after an eloquent exordium, pro-"Now, Mr. President, the gentleman

who preceded me has undertaken to show by an appeal to bistory that mon-archies are short lived. He has en-deavored to bolster up his side of the argument by giving a list of kingdois and empires that have risen, flourished a short time and fallen. He falls to mention the fact that most of the strong governments in all ages of the world have been monarchies. He does not give you a list of the republica that have struffed their brief hour upon the stage and disappeared. He contents himself, Mr. President, with general-ities. Let us examine both sides of this question and see how easy it is, with the sword of truth, to simply clash that

argument into ribbons." Here he was interrupted by one of the speakers on the negative side of

moment, Mr. President, this is the first time I ever saw the sword of truth used for the purpose of splitting an in-

finitive."

The general laugh that followed con fused the speaker, and the judges final ly decided that the weight of argumer was with the negative.

To Consider Himself Dead. Mr. L., a good natured German, was ploy one John N, whom he had an vanced from cash box to head ciert. Since his promotion John had severn

Think't you know that he probably intercepted your letters? He is in the
