Dear Mr. Tupper,

I have your letter of the 4th instant, enclosing one from Chief Asham, of St. Peter's Reserve. I will see that the Chief's request to have the Reserve surveyed in the manner indicated and for the purpose specified in his letter is enquired into, and will see what can be done. Meantime I desire to thank you for bringing the matter to my attention. I note with pleasure that the Chief bears high testimony to the administration of the Fishery Service. in your District

Believe me,

Yours faithfully,

(Sgd.) T. Mayne Daly.
