DR. CARMAN'S ADDRESS **TO GENERAL CONFERENCE**

Grand Old Man of Methodism in Full Vigor of Mind—Deals With Church Union and Other Matters

ence and of the connexional officiary (From Tuesday's Daily.) The feature of yesterday afternoon's have entered into their rest. Let us The feature of yestenday afternoons session of the General Conference was the delivery of the quadrennial ad dress of the veteran general superni-tendent, Rev. Dr. Carman. While the superintedent shows somewhat the effect of years in trembling hands, there is still the same old ring in his voice and his address, as ever, is full of subject of thought for the conference was it a lengthy document and occupied over two hours in the reading. It chronicled an increase of 21,700 in the membership of the church in the gards except class leaders, where there is a decrease of a thousand. The conf ference is warned to "beware lest we The feature of yesterday alternoon's stand at ease for a moment with bowed head while we reverently speak the

not called to present and vigorous ac-tion, the consideration of that state-ment and meditation upon it in all the bearings might easily absorb all the time allotted for our conference. While we may not abide in the quite and routiful mysticism of such a meditation, we certainly need all the moral and spiritual force we might gather from they consecration as the most earned have a mightier and spiritual force we might gather from the earth. The quadrennium just closing has service of our Wrak as constantly in the light of God, faithfully as the pro-foundest gratitude and clearest intelli-

movements and activities in our church in this world that they be not highlife. The Laymen's Missionary Move-ment, the Adult Bible Class Movement, the expansion and increased intensity of the Student Volunteer Movement, the compacter organization of the Sun-day schools for mission work and the co-operation of the Woman's Missionday schools for mission work and the co-operation of the Woman's Mission-ary Society therein, the widening of the scope of our moral reform enter-prises, their gratifying success and the efficiency of their active secretariate, the appointment of additional force for Sunday school and Enworth Leagues in the appointment of additional force for Sunday school and Epworth Leagues in their educational and aggressive agea-cies, and the extension of the field and enlargement of the operations of our missionary superintendents, all indicate the inflowing of a mighty tide of energy and open equation of the indicate the inflowing of a mighty tide of energy and open equation of the operations of our the inflowing of a mighty tide of energy and open equation of the operations of the operations of the operations of the operations of the operation operation of the operation Union of Churches. and purpose as concerning the estab-lishment of the Kingdom of God in the The question of church union, im
