The subscriber offers for sale his farm at Napan, well known as the late John Bremner farm, which centains 100 acres more or less of land under cultivation and well watered, besides about 100 acres additional well wooded with pulp wood, cedar and firewood.

The farm is seven miles from Chatham which offers in markets for its products.

The land under cultivation is in splendid condition and the portion under grass will cut about fifty tons of hay this season, besides the usual mixed crops, for which it is well suited. It has a fine new two-storey dwelling, commodious barn and other outbuildings.

The district school is located on the property, and there is a church and also a blacksmith shop within a mile. There is a codar boy on the farm and mussel mud in the river in front of it, which offer an exceptional privilege for obtaining fer-
