FEW MEN ORIGINAL.

Did you ever notice how few people are original in things they say and do? For nstance, one man makes a fortune out of a simple thing; immediately hundreds of others try it. This is human nature While it is gratifying to be the "first man" to bring out an idea, the great mass must be content to follow their leaders. There is one line that is always original, however, and that is the business of Bradley-Garretson Co., Limited, of Brantford, Ont., because they continually bring out publications, to suit the times and seasons, thus their agents are kept steadily at it and make big money. In fact, no other occupation is more honorable, healthful, lucrative, or offers half as The British steamer "Puritan" sailed many opportunities for promotion. It is a There was here some discussion on the law, but ald. Lawlor said the business now from Philadelphia on August 12, with a life school.
