CANTILEVER BRIDGE AGAIN. Took Another Day Off-Passengers C. P. R. will have three steamers in and Mails Transferred.

The work on the Cantilever bridge was not finished this morning in time to allow the Boston and Montreal trains from the west to pass over to the Union depot. This contingency was provided against, however, by a temporary transfer train, which carried passengers to and from the bridge.

The transfer train will be kept in use for a good part of the day, as it is thought that the work on the bridge will not be finished until after five o'clock this afternoon. The work is similar to that which was carried on

the temporary transfer arrangement to the bridge, but instead went over fore long. by street cars or hacks. They did this to avoid the inconvenience of walking vage crew went to work vigorously on

FISH BARRELS SCARCE.

TAX RECEIPTS BREAK RECORD.

The total amount of taxes that has been paid in to Chamberlain Sandall in time to receive the five per cent diffs, the demand this season is somewhat heavier than last year; but the material for making the barrels has been very scarce. As a result many coopers who formerly earned their livelikood in making barrels and half barrels for the fish trade, were compelled to seek other coordinates.

Was an unqualified success.

A number of city Presbyterian and members of the local Presbytery left or are to leave today for Pictou, N. S., where tomorrow the Maritime Provincial Synod opens. The attendance at the Synod is expected to be large, but beyond the yearly routine was \$338,933 on Saturday evening. This will be somewhat further augmented by the amounts mailed on Saturday, which did not arrive until this morning.

This year's total was considerably larger than that of any year previous. It is estimated that over \$22,000 more was paid in this year than at the same time in 1993.
