

Gil Fletcher: Come to descriptive geometry today, Gil. There's a meeting after.

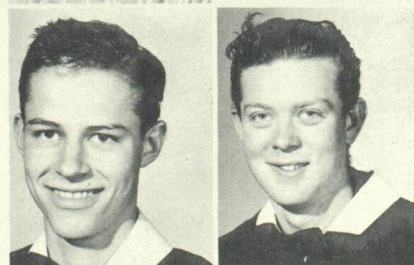

Leo Fries: I'm the only guy in the college with a five-ton car.

Randy Flynn: Hucklesberry, did you steal my beer?

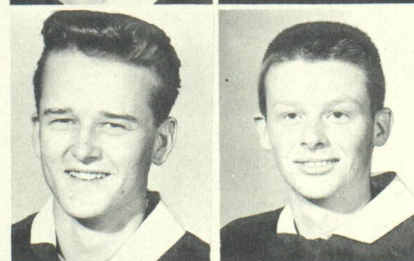

Wayne Hall: That's all right. I'll study during the exam.

Bob Forsyth: Too much competition from those darn humans.

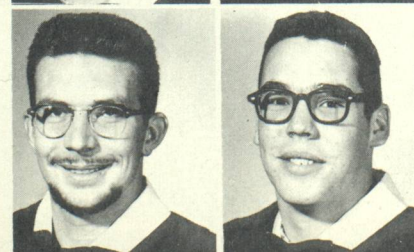

Doug Hallsworth: Hey Doug, what are you smoking today?

Jim Fox: Me headum home for weekend, seeum squaw.

Melvyn Hazell: Hasn't discovered if he likes girls or not.

Wally Frasz: Hey! Which one of you apes took my girl and my car?

Tom Johnston: My Morris has a 5-cycle, hyperbolic, super cross flow I sky cam.
