What Makes  
You TiredAre Tired That Even Sleep Fails  
Restores.There Are Poisons in the Blood That  
Can be Removed by  
DR. CHASE'S  
KIDNEY-LIVER PILLSYou get tired. That is only nature  
whether you work with brain or  
muscle. But when you are not re-  
stored by a night's sleep there is  
something wrong.The process of living is something  
like the burning of a fire. When the  
serve cells are consumed by the ac-  
tivity of life and work there is left  
in the system an ash in the form of  
poisonous waste matter. These poi-  
sons in the system cause pain and  
give rise to feelings of fatigue.Nothing will so quickly sweep these  
poisons from the system as Dr. Chase's  
Kidney-Liver Pills. The liver is quick-  
ly and in action, the bowels move regu-  
larly and the kidneys take on new  
vigor and activity.The blood is purified; the waste mat-  
ter which has been clogging and re-  
tarding the organs of digestion is re-  
moved. Headaches and backaches  
disappear, the appetite is sharpened,  
digestion improves and you feel fine  
in every way.A single box of Dr. Chase's Kidney-  
Liver Pills, at a cost of twenty-five  
cents, will convince you of the prompt-  
ness and certainty with which this  
great medicine cleanses the filtering  
and excretory organs and restores to  
health and vigor the whole digestive  
system. One pill a dose, 35c. a box,  
at all dealers, or Edmondson, Bates &  
Co., Limited, Toronto.

## "HIS LAST DOLLAR"

MADE DECIDED HIT

Myrtle-Harder Co. Seen to

Excellent Advantage Last

Evening in Powerful South-

ern Romance.

"His Last Dollar" was the bill of

fared by the Myrtle Harder Company  
last night in the Opera House. A  
large audience greeted the players,  
and accorded one and all of the most  
generous applause for their admirable  
work during the evening.The play is a powerful Southern ro-  
mance telling the story of a jockey  
who having accumulated a million,  
breaks in on the Stock Exchange. He  
falls a victim to the charms of a fas-  
cinating, but unscrupulous woman in  
league with a villainous broker, who  
poses as the friend of the jockey. Be-  
tween them they plot the ruin of the  
jockey, who, however, eventually es-  
capes from their machinations and  
turns the tables.There are numerous strong climaxes  
in the piece, all of which are capably  
carried out by the company. A pretty  
love story runs through the play, and  
an abundance of comedy is interlat-  
ed throughout, combining to make the  
play intensely interesting.In the roles assigned to them all the  
members gave excellent performances,  
and each player seemed to have been  
cast for a role just adapted to him or  
her. Miss Myrtle as Eleanor Downs,  
was charming, and was accorded a  
generous share of the applause of the  
evening. She received strong support  
from the other members of the cast.  
Miss Lounsbury, as the deceitful and  
scheming woman, while not having a  
sympathetic role, earned applause for  
excellent interpretation of the part.  
The other ladies of the cast, Miss Rus-  
sell and Miss Valley, also did good  
work. Among the men Mr. Bertin, Mr.  
Brown and Mr. Dewey, who supplied  
the comedy, did well to good advan-  
tage. A feature of the performance  
last evening was the magnificent stage  
settings, the scenic effects being es-  
pecially beautiful."His Last Dollar" will be the offer-  
ing again this afternoon and tonight.The Myrtle-Harder Company has  
won a host of friends during their  
present engagement and all will be  
pleased to learn that arrangements  
have been made to have this company  
remain for another week, when they  
will be seen in a number of new pro-  
ductions, opening the week with "The  
Barrie 52," a dramatization of Rex  
Beach's popular book.

## EXECUTIVE MAKE

PLANS FOR BIG FAIR

At a meeting of the Executive Com-  
mittee of the Exhibition Association,

ness was transacted.Report was received announcing the  
receipt of permission to use the  
military grounds, and the order in  
council authorizing the provincial  
grant of \$5,000.The Cattle and Live Stock Commit-  
tee reported recommending the prize  
list on a liberal scale—practically that  
of the Dominion Exhibition of 1910.The question of space was consid-  
ered and the price for this year fixed  
at ten cents per square foot on the  
ground floor of the main building and  
five cents per square foot in the gal-  
lery and in the Agricultural Hall.It was decided to advertise for ten-  
ders for the entire midway and  
amusement privilege as has been the  
custom for some years past; also to  
ask for tenders for the dining room
