BACK FULL OF ACRES, HEADACHES AND DEPRESSION

Much of Women's Suffering is Need Less and Can be Prevented by the Use of Dr. Hamilton's Pills

That Stab-like Pain in the Back is Sure Indication of Kidney Trouble. Mrs. Anna Rodriguez writes as follows: "From her home in Valencia for a long time I suffered with falling strength and nagging headaches. My condition grew steadily worse, my limbs became bloated and shaky, I was slow and thin, felt rheumatic pains, dizziness and chills. I unfortunately didn't suspect my kidneys, and was nearly dead when I discovered the true cause of my sufferings. I read so much about the wonderful health and strength that comes to all who use Dr. Hamilton's Pills that I felt sure they would help me. Such blessings of health and comfort I got from Dr. Hamilton's Pills I can't describe. They speedily put me right, and my steady use keeps me active, energetic, strong and happy. I strongly urge others to regulate and keep their system with Dr. Hamilton's Pills of Mandrake and Butterbur."

No creaser medicine exists than Dr. Hamilton's Pills for the cure of indigestion, constipation, flatulence, liver and kidney ailments. Return substitutes for Dr. Hamilton's Pills, 25c. per box or five boxes for \$1.00, at all dealers or the Carruthers Company, Kingston, Ont.

When The Lungs Are Weak

They irritate the weakened membranes and prevent healing. There is always the danger that a cold may get a firm foothold and settle on the lungs. It is so easy under these conditions for pneumonia or consumption to develop.

About the surest means of controlling coughs and colds is by the use of Dr. Chase's Syrup of Limes and Turpentine. This treatment loosens the cough, allays the irritation and inflammation and thoroughly overcomes the disagreeable symptoms. The success of this medicine has given rise to many imitations. It is only natural to suppose that the original possesses merit of an unusual degree.
