Acetylene Lighting For Country Homes

A good light is most essential to the comforts of the suburban home. Acetylene is the most beautiful of artificial lights, easily installed, requires little attention and convenience for cooking.

With the modern burner no matches are required for lighting. Send for circular.

P. CAMPBELL & CO., 73 Prince Wm. St.

The Gold Dust Twins' Philosophy

ONE day, when Mr. Jones returned with what his weekly toil had earned, he found his little wife in tears and mood not suited to her years. It seemed the cook had had "adieu," likewise the washerwoman, too.

At first within the House of Jones there followed sad despondent moans. No hopeful word could reconcile, no homed kiss inspire a smile. "I never knew before," said she, "how horrid household cares could be."

"Upon my word I'm up at six and working still as midnight ticks. I scrub and run and wash and shine to keep the little things in line, and yet around me here and there I see undone another share. I almost feel as if I'd like to join the other ones on Strike. Some morning try it—get a mop; go through from cellar to the top, and I will venture you must see, the greater burdens fall on me."

Now Mr. Jones was passing wise and later, sprang a glad surprise. Through friends who praised the "GOLD DUST WAY," he brought a package home one day.

From tears to sunshine, Wife now has found the good of "Knowing How" and striking servants fail to stir, the placid calm content of her.

The Gold Dust Twins

WITH THE BOY SCOUTS.

During the past few weeks without any outward show the Boy Scout movement in St. John has been slowly and gradually attaining former proportions.

Under the efficient work of A. C. Skelton, president of the local association, Scout Commissioner Rich, Ingerton and P. J. Legge, local secretary, work has been progressing favorably in the city and district. At the present time there are nine troops namely: St. James', St. Paul's, Germain street Baptist, Waterloo street Baptist, St. Jude's, Fairville, Queen Square Methodist, Calvin Presbyterian and Rothery Collegiate school—the latter the latest addition. The Rothery troop has Sergt. Doe for a scoutmaster, and is thirty strong. All have passed the tenderfoot stage and

will receive their badges on Thursday next from A. C. Skelton. The question of having a local Boy Scout church parade is being talked about and will come up at the next meeting of the association.

CANADIAN FIRMS WILL SHARE IN WAR ORDER

London, May 17—W. L. Griffith, secretary to the High Commissioner's office, states that out of a war office tender for ten million pounds of beef, one half was awarded to Canada, large orders being given to the William Clark of Montreal and the W. H. Davies Company of Toronto.

KING COLE TEA

**THE GRAMPAN SLIGHTLY
DAMAGED IN COLLISION**

Liverpool, May 17—The Allan Line steamship Grampian which sailed from Liverpool for Montreal on Friday last with about three-quarters of her passenger capacity occupied, was slightly damaged while going down the Mersey, by being in collision with the steamship Mingsway and by afterwards falling foul of the steamer Moltkens.

The Grampian put back to her dock.

LOYALIST DAY AT IMPERIAL

Six hundred school children to assemble—Women's Canadian Club provides programmes.

Loyalist Day will be celebrated this afternoon in the Imperial Theatre by about 600 school children. The programme outlined is one that breathes the spirit of patriotism in every item and promises to be a fitting observance of St. John's birthday. The theatre, which has been lent for the occasion, will close its doors at about 4.45 p. m., after finishing its matinee performances. The public will then be admitted to the celebration at the admission fee of 15c. for adults and 10c. for children. A fee is necessary to defray expenses in connection with the programme.

A special feature of the affair will be a chorus of six hundred school children selected for their singing abilities, who will render the patriotic songs of the hour and some especially rehearsed new numbers, and will be directed by D. Arnold Fox. Most of these little ones will occupy tiers of seats on the stage and should present a very pretty picture. There will be a number of official guests, including His Worship the Mayor, Supt. of Schools Dr. H. S. Bridges, President of the United Loyalist Society, representative of the Historical Society, chairman of the School Trustees and others. Mrs. Gustav A. Kuhring, president of the Women's Canadian Club, is being held, will occupy the chair.

The programme will include in addition to the musical features already mentioned, a stereopticon tour, "Around the British Empire With the Sun," the illustrations having been imported from Montreal, where they are the property of the Imperial Educational Headquarters. There will be motion pictures of the British navy, courteously loaned by F. Guy Bradford of New York, and some pretty little patriotic novelties will be introduced in the form of flag-raising, etc., as the programme proceeds.

The afternoon's programme should consume a little more than an hour, and it is expected will conclude at about 6 or 6.15 o'clock. The fact that six hundred school children have been organized into this programme gives it additional interest and the public is requested to take particular note of the programme hours, the admission, etc.

The Women's Canadian Club has done everything possible to ensure the success of today's gathering, and its efforts in this direction, taken in conjunction with the plans which it has made for a suitable observance of Empire Day in the schools of New Brunswick, show that the good work of the organization is being carried on with unabated fervor. As already stated in the Standard Empire Day in the province will, owing to the initiative of the club receive more than ordinary recognition in the schools. The programme for the observance of Empire Day in the public schools as suggested by the club has been approved by the Chief Superintendent of Education, and preparations are being made in all districts to carry it out so far as is possible. The booklet provided by the club has been widely distributed, and the many useful suggestions embodied in it are more to contribute largely towards the success of Empire Day in the provincial schools.

M'GILL AND LAVAL HOSPITAL WORKERS REACH SHORNCLIFFE

London, May 17—Among the arrivals at Shorncliffe are the Third (McGill) General Hospital, the Fourth (Laval) General Hospital, and the Fifth Stationary Hospital. All the men are in good form after their passage, the sail having been uneventful.

CHALLENGE ACCEPTED

Jim Prokos, the Greek wrestler, has accepted the challenge of "Strangle" Lewis for a handicap match in St. John, and all that remains is to complete the arrangements.

PALE ANAEMIC GIRLS

Find New Health Through
Dr. Williams' Pink Pills
For Pale People.

There must be no guesswork in the treatment of pale, anaemic girls. If your daughter is languid has a pale, sallow complexion, is short of breath, especially on going upstairs; if she has palpitation of the heart, a poor appetite, or a tendency to faint, she has anaemia, which means poverty of the blood. Any delay in treatment may leave her weak and sickly for the rest of her life—delay may even result in consumption, that most hopeless of diseases. When the blood is poor and watery, there is only one certain cure—that is Dr. Williams' Pink Pills, coupled with nourishing food and gentle outdoor exercise. Dr. Williams' Pink Pills actually make new blood, which flowing through the veins stimulates the nerves, increases the appetite, gives brightness to the eye, a glow of health to the cheek, and makes weak, despondent girls full of healthy activity.

The case of Miss J. H. Lassalle, Sorel, Que., is typical of the cures made by Dr. Williams' Pink Pills. She says: "I was weak and all run down. My face was pale and covered with pimples. My lips were pale. I suffered from pains in all my limbs which would at times be swollen. I was hardly ever free from headaches, and I found work about the house a burden, as the least effort left me fatigued and breathless. I had no appetite, and notwithstanding that I was constantly doctoring I seemed to be growing worse all the time. One day mother said that she thought I ought to try Dr. Williams' Pink Pills, and I decided to do so. I soon discovered that I had found the right medicine, and after using nine boxes I was once more enjoying the best of health, and I have not been unwell a day since."

You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

BIG BARGAINS IN PIANOS AND LATHS AT J. A. CLARK & SON, 177, 179 GERMAIN STREET.

MINERS IN BLACK COUNTRY ON STRIKE

London, May 17 (4.52 p.m.)—Some thousands of miners in the Black Country went on strike today in consequence of a dispute over the question of a war bonus.

The Black Country is a name applied to the mining and manufacturing district on the borders of Staffordshire and Warwickshire, England, between Birmingham and Wolverhampton.

THE GRAMPAN SLIGHTLY DAMAGED IN COLLISION

Liverpool, May 17—The Allan Line steamship Grampian which sailed from Liverpool for Montreal on Friday last with about three-quarters of her passenger capacity occupied, was slightly damaged while going down the Mersey, by being in collision with the steamship Mingsway and by afterwards falling foul of the steamer Moltkens.

The Grampian put back to her dock.

MORE FARM PRODUCE FOR COMING YEAR

Board of Trade information leads to belief that field crops in Province will be larger.

The Board of Trade has been carrying on investigations, which show that in almost every kind of agricultural enterprise with the exception perhaps of potatoes, there is likely to be a considerable increase this year over 1914. Last year the potato crop of New Brunswick reached the enormous figure of 9,755,570 bushels. The difficulties experienced in marketing this enormous crop will likely lead to an appreciable reduction in the potato acreage in New Brunswick this year. Official estimate furnished the Board of Trade place this reduction at about twenty-five per cent. The acreage in wheat this year will probably be 35 per cent. in advance of 1914. Last year there were 12,237 acres under wheat, the yield being 256,700 bushels. The government has imported about 5,000 bushels of seed wheat, which is being sold to the farmers at cost.

The object of wheat growing is largely to supply the farmers with flour, at the same time it gives a quantity for poultry feeding and the byproducts, such as bran and middlings can be used for cattle feed. More than this is not looked for by the Agricultural Department, although it has been demonstrated that a superior class of wheat can be raised in New Brunswick.

It is estimated that there will be an increase in acreage in oats this year of about twenty-five per cent. over 1914. Last year 190,000 acres were planted in oats, the yield being 5,985,592 bushels.

Other crops will remain about the same. All over the province there is a decided awakening in live stock, due in part to the increased demands for this class of farm products, and to the department policy of consoling pure bred stock bought by the agricultural societies. There is an initial bonus of 30 per cent. on animals costing more than \$50, and an additional yearly bonus of 10 per cent. while the animal is in a serviceable condition.

Some sections are making great advancement in live stock as a consequence. Sheep raising is especially receiving attention. This branch has been stimulated by the policy, adopted last year, of placing in each county as quickly as possible a demonstration flock of pure bred sheep.

These demonstration flocks consist each of nine ewes and one ram, purchased by the government and placed for three years under the care of a reliable farmer. The latter becomes the owner of the flock at the expiration of three years, provided he has returned to the Department of Agriculture a specified number of the progeny of the flock.

Live stock in the province last year was as follows: Horses, 64,075; cattle, 253,273; sheep, 142,141; swine, 88,167.

LOCAL Y.M.C.A. BOYS TO HAVE SUMMER CAMP

It Will Open on July 3rd and Continue Two Weeks—Location Not Yet Selected.

The monthly meeting of the boys' work committee was held in the Y. M. C. A. last evening with W. C. Cross as chairman, presiding. Those present were the chairman, A. M. Gregg, secretary, Geo. R. Ewing, C. H. Curley, Theo. Jenkins and P. J. Legge, boys' work secretary. The question of a local boys' summer camp was brought up and it was decided to have one in July, commencing on the 3rd and continuing until the 17th. A site for the camp will be decided definitely within the next ten days. The summer activities in the boys' division this year will consist mainly of Saturday afternoon hikes and week-end camping trips. The first of these was held last Saturday to the Y. M. C. A. log cabin, under the direction of P. J. Legge.

MAGIC BAKI POWDER

MADE IN CANADA

CONTAINS NO ALUM

BAKING POWDER

Mr. Fred G. Coles, of Red Head, desires to thank many friends for their kindness and sympathy during the time of sickness and death of his wife, who was formerly Miss Mand Riley, daughter of John Riley, steward, formerly of the City of St. John, but now living in West St. John; also many friends for floral decorations.

ANNUAL MEETING OF ST. JOHN TENNIS CLUB

Lient. C. F. Inches Re-elected President and Major Malcolm McAvity Vice-President.

The annual meeting of the St. John Tennis Club was held last evening in the Brown Betty Tea Rooms, Charlotte street, when reports were received and officers elected for the ensuing term. Miss E. M. Schofield, the secretary-treasurer, reported that the past year had been most successful for the club and that the membership tallied more than one hundred. During the past summer the provincial tennis tournament was held on the St. John courts and proved to have been the most successful ever held in the city. No less than fifteen gentlemen members of the club have enlisted to fight for King and Country, and a number of these were already on the battle field. These included the president, Lient. Cyrus Inches, and the vice-president, Major Malcolm McAvity. It was also reported that a number of new members had been enrolled on the club list for this season.

Lient. Cyrus Inches as president, and Major Malcolm McAvity as vice-president, were re-elected to their respective offices, and Miss E. M. Schofield was re-elected secretary-treasurer. The other officers chosen were as follows: Tournament committee, R. Downer, S. Gregory, L. MacLaren, Miss Dorothy Jack, Miss Mary MacLaren. Ladies managing committee, Miss McKenzie, Miss Bridges, Miss K. Sturges, Miss McAvity, and Mrs. Church. Miss McKenzie was elected ladies secretary.

It was decided that this year the ladies would look after the financial work of the club. It was also suggested that the club hold one or more garden parties at the courts during the summer months.

Play will start on Monday, the courts are being put in excellent condition and there is every prospect for a very enthusiastic season.

"TIZ" EASES TIRED, SORE, SWOLLEN FEET

So tired of burning, aching, calloused feet and corns? Use "TIZ"

why go limping around with aching, puffed-up feet—feet so tired, chafed, sore and swollen you can hardly get your shoes on or off? Why don't you get a 25-cent box of "TIZ" from the drug store now and gladden your tortured feet?

"TIZ" makes your feet glow with comfort; takes down swellings and draws the soreness and misery right out of feet that chafe, smart and burn. "TIZ" instantly stops pain in corns, callouses and bunions. "TIZ" is glorious for tired, aching, sore feet. No more shoe tightness—no more foot torture.

with an attendance of twelve boys. The organization of a Sunday school athletic league was also brought up. However, definite action will be deferred until a meeting later in the week, on Thursday. A special committee was appointed to look into the matter of undertaking the Canadian standard efficiency test as a program for the boys' work department for the coming season, 1915-16, and it is altogether likely that this branch will be introduced by the local branch.

P. J. Legge will be the local representative at the Y. M. C. A. summer school, being held at Lake Conchaling, Ont. this year, July 25th to Aug. 13th.

At the present time the membership of the new Y. M. C. A. tennis club is thirty-seven and work is progressing favorably on the new courts.

First aid classes in the junior department which began last March are being held every week on Fridays. Last week the session was held in the public hospital.

BORN.
SANCTON—To Mr. and Mrs. Arthur M. Sancton, of 23 St. James' street, on May 17, a son.
