

Nebraska Judge Now Indorses It

Hon. B. F. Whittington Has Gained Twenty Pounds By Taking Tanlac—"I Never Saw Anything Like It," He Says.

One of the distinguishing features of the introduction of Tanlac throughout the country is the large number of prominent men who have felt it their duty to disavow precedent and come forward with their unqualified endorsement of the medicine because of the benefits they have derived from its use.

The latest addition to the list of prominent endorses is the name of Hon. Benjamin F. Whittington, Judge of the District Court, South Omaha, Neb. In relating his experience with Tanlac Judge Whittington said:

"The results of Tanlac in my case certainly seem wonderful to me. Before I began taking it my health was broken in many ways, and I did not know which way to turn for relief. My liver was all out of kilter, I was habitually constipated, and bilious. I was so irregularly dizzy most of the time that I could not sleep over for fear of falling. My kidneys were all out of order, and in bad shape, and I had terrible pains in the small of my back. My appetite seemed to be fairly good, that is I could eat, but my food did not seem to be properly assimilated. Sleep failed to rest me, and I felt tired, languid and worn out all the time. I was pale, and not only felt badly but looked that way. I had been in this condition for a year, and was becoming badly worried because nothing seemed to reach my case.

"I had fallen off twenty pounds in weight, as a result of my troubles, but I have gained it all back by using Tanlac and have never felt better in my life. I decided from what I read in the papers about it to try it, and I felt like a new man before I finished my first bottle. So I went right back for another and so on until I took five bottles, and now I haven't an ache or pain and am feeling great. And eat, my gracious! I eat like a farm hand, and I can get it never saw anything like it. I sleep like a log, and get up in the mornings thoroughly refreshed and feel brim full of energy all day long. All the time I was taking Tanlac I was doing three men's work, and improving at the same time. Now this is just what Tanlac has done for me, and I gladly give this statement for what it may be worth to others who are trying to find relief.

Tanlac is sold in St. John by Ross Drug Co., and F. W. Munro, under the personal direction of a special Tanlac representative—Advt.

ALLIED REQUEST TURNED DOWN BY SWITZERLAND

To Agree With Entente Demands Would Require Complete Breaking off of Economic Relations With Germany.

Berne, May 31.—(Havas)—The Federal Council has handed to the French ambassador for transmission to the Allied governments a note stating that the Entente request that Switzerland prohibit all exports to Germany, if the Germans refuse to sign the peace treaty, would require the complete breaking off of economic relations with Germany. The note says that the canton, requested by the Entente, would go beyond all the restrictions imposed during the war.

The Federal Council again asserts the neutrality of Switzerland and says it does not consider itself able to comply with the Allied request. The Allied governments, the Council declares, will understand its attitude.

New Haven, Conn., May 27.—A mob of several hundred men, largely recently discharged soldiers and sailors, attempted a concerted attack on the Yale University campus tonight. Police details succeeded in preventing an early invasion of the campus but further trouble is looked for. Two students are reported as being badly beaten up near the Yale grounds. The affair grew out of slighting remarks made by some persons near the campus Saturday last during a welcome home parade of the veterans, who claim that the perpetrators were Yale men.

At 9.45 it seemed almost certain that the mob would get out of control of the police. At that time a group of about 200 men, mostly Yale men, were seen smashing windows of Yale buildings and threatening more severe damage. Several students at that time, caught off the campus, had been mobbed. Virtually every policeman in the city had been mobilized and sent to the campus area.
