H. L. SPENCER, Medical Warehouse, 20 NELSON STREET, ST. JOHN, N. B., General Patent Medicine Agency For the Maritime Provinces. Nursery Rhymes, No. 15. JOE BOGAN-IN MEMORIAM. It was a darksome windy night, And rain and sleet came tearing down When from the outsirts of the town, Joe Bogan came home *atiff and tight. A shocking hat smiled on his head, And several tears lay on his check; In vain he, mutt'ring, tried to speak, But speech from him long since had fled His coat lay mildly on his back; His boots were towhides rudely made: The men who found him gently laid Him on a spike, then called a hack. They waltzed him up a flight of stairs, Then hastened to the †Pharmacy, And there they purchased genna-tea, And left him to his own affairs. The morning dawned, and with the 'sun Joe Bogan tried in vain to rise:
His wife prepared a sweet surprise,
And shot him with a wooden gun. She banged him on the head and nose, Until a stream of claret flowed; And with a broom his hair she mowed, And put a corn between his toes. With grief poor Bogan that night died:
He drinks no more pale brandy cold,
Nor takes delight in whiskey old,
But in a hearse he took a ride. MORAL. Pray do not heed this warning late:
I ask thee, lend to it an ear:
Give drinking up, renounce thy beer,
Else on a bier will be thy fate.
TENNYSON. NOTES. *He was drunk.

more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best cities, of all classes, establishes the fact, that Cherry Protoral will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Fulmonary Organs yield to its power; and cases of Consumption, cured by this preparation, are public ly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, Cherry Protoral, is invaluable; for, by its timely use, multitudes are rescued from premature graves, and more dealers of the love and effecting on threat of the love and effecting on threat of the love and effecting on them.
