TOR PURIFYING THE BLOOD, nothing has ever been offered which can compare with this Extract of Sarraparilla. It is found a great promoter of heatth, when taken in the spring, to expel the humors that rankle in the spring, to expel the humors that rankle in the spring, to expel the humors that rankle in the spring, and in the spring, and in the causes above mentioned, for which no better remedy has ever been devised. By its use multitudes can spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system strives to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, tor cleansing the blood.
