

 Fills a "Long Felt Want"

THE PEW POCKET

We are now prepared to supply an article long needed by churches. A receptacle made of Japanned tin, and designed to be attached to the pew for the holding of PASTORAL CARDS, WEEKLY OFFERING ENVELOPES, STATEMENTS, ETC., such as the Pastor or Officials of the church may wish in the hands of the occupants of the pew.

The PEW POCKET is neatly designed and finished, and when attached to the pew is rather an ornament than otherwise.

We are able to offer it to churches at the exceedingly low price of

\$5.00 PER HUNDRED

at which price we will deliver free to any address. If ordered in quantities of 100 and over we will make the price **\$4.50 per hundred.**

Churches ordering now will kindly bear with us if their orders are slightly delayed as they possibly may be if the orders come in a rush. The manufacture takes time and care.
