COME NOW!

A LONG PULL--A STRONG PULL--ALL TOGETHER!

One of the most important "get together" events in the recent history of our city will be a Public Meeting, under the auspices of the Board of Trade, to be held in the City Council Chamber, at 8 p.m. next

Wednesday March 19th.

Every man or woman who is willing to lend a hand in the uplift spirit which is so popular and needful at the present time, will make a determined endeavor to attend this gathering. Even if not interested—come and be open minded.

Mr. J. C. R. Foster, of the American City Bureau, will tell the assembly of the methods and efforts that have so thoroughly and beneficially aroused the civic spirit of Windsor, London, Sarnia, Brantford and other Canadian cities and hundreds of cities across the border.

It is the feeling of the Board of Trade that if Kitchener is to have that share in the unparalleled prosperity and advancement that has dawned, and to which her enterprise and business ability properly entitles her, then united, scientifically directed effort must be had. Mr. Foster will tell how this co-operative community spirit may be engendered and engineered.

Will YOU please consider this letter as a "Clarion Call" of good citizenship and attend the meeting. Moreover, will you make it your business to enlist the attendance of at least one other person, man or woman (for the women are just as welcome and just as important as the men). Do you care to indicate to either of the undersigned that we may count on you?

Yours respectfully,

N. M. DAVISON, President,
Phone 333 or 1321.

E. J. PAYSON, Secretary,
Phone 1410 or 924W.
