Whatshan Valley

Will earn more revenue than a quarter section of the best wheat land on earth. We are clearing, irrigating and planting some ten-acre tracts in this garden spot of British Columbia, and will sell them at \$150 per acre, in three annual payments without interest.

Call at the office or drop us a card with your name and address on it, and we will send you full information. It is

The Apple Orchard Opportunity of a Lifetime

We are only selling a few of these tracts in order to open the Valley and advertise our lands. You must act promptly if you desire to be among the favored few.
