Clubs and Societies

This year's first club's and societies meeting will be held this upcoming Monday the 17th of October 1994 in Room 103 of the SUB. Items on the agenda will include a review of the Club's and Societies guide, a mention of important budget dates and other concerns you may have. I encourage all clubs and societies to attend this very important meeting. All members of your executive should be present. I will be asking all Clubs and Societies for the following information;

- 1: a list of your executive members & phone numbers
- 2: a list of the executives of which you will designate as having signing authority on purchase orders (Money).

Time of the meeting is 4:30P.M. - 6:00P.M.
