

Scuba

Exploratory mission

by Trevor Kenchington

Last weekend DAL SCUBA visited the wreck of the "Letitia", a First World War hospital ship, which lies close to the coast 10 miles south of Halifax. Despite the now rapidly falling water temperature, nine divers went down to depths of as much as 100 feet.

Many interesting things were found, including spare parts for the engines (each stamped with an inventory number), and cloth bags which appear to be full of plaster and stones. Bags of medicinal plaster would be expected on a hospital ship, but the stones are a mystery.

At the same time, five other DAL SCUBA divers went by boat to the wreck of the S.S. "Atlantic" further along the coast. They did not find any of the gold coins for which this

wreck is famous.

This weekend, Dal Scuba will be going on a scallop drive (details on the SUB notice board). Any divers at Dalhousie who would like to gather a free meal, or join in any of the club's future diving should see the dive manager, Trevor Kenchington, in Room 5126, Biology Department.

The annual Dalhousie junior varsity field hockey tournament was held last weekend on the Halifax commons. The tournament included teams from Bedford, West Hants, Windsor, and Dalhousie. Dalhousie won the consolation game by defeating Windsor 2-1. Bedford won the tournament by defeating West Hants 2-1 in the final.

Dal lost to Mounties

by Phil Hill

The Dalhousie Soccer Tigers ended a disappointing season by losing their AUAU playoff semi-final 3-2 to the Mount Allison Mounties on Saturday. The Mounties went on to win the AUAU title by beating the UNB Red Shirts 2-1 on Sunday, after the Red Shirts had surprised SMU 3-1 in the other semi-final game.

Two first-half goals from Bob McDonald had set the Tigers up for a win, but aggressive playing from Mount Allison resulted in a 2-2 tie at the end of normal time. Mount A added the third in extra time to win the game, a credit to their 100% effort and teamwork. After the game coach Tony Richards admitted, "I'm disappointed. I thought we had the match sewn up there,

but we paid for our defensive errors."

The Tigers, AUAU champions for the last four years, have had a relatively poor year, despite the advantage of the new 5-year eligibility rule allowing many players to return from last season. On paper, the team was better than ever, but they had been unable to achieve the results this might have promised.

This reporter would like to thank the Tigers for the fully-clothed shower he received after Saturday's game.
