

They are not found there being so
the Indians say as with the same there
hinges. Some are not made the
very extent as the same is not at
at night. The Indians are not
out such a morning.

The Indians have been employed
in hauling heavy freight and in
attending to their stores, repairing ships
making gun powder, and with
fort. The Indians have been
have been dressing skins making
Rabbit-skin &c. &c. &c. &c.
breeding horses and other animals
as well as attending to their domestic
duties. The Indians have been
a failure there has been a party
very Indian who has a little of
of what was said was required for
his land and have a long time
with him for it is to be seen
land for those who have no use
and by some means to see the
Dept. from being obliged to purchase
see to the use of their products are
being consumed by the Indians.

There has been nothing done in the
way of getting out furs or in the
sale of the products.

The health of the Indians is not
on the whole been good and
is all having occurred in
the winter.
