4th October, 1926.

The Right Hon. W.L. Mackenzie King, C.M.G.,
Prime Minister for Canada,

C 76503

Dear Mr. Mackenzie King,

At the suggestion of the Dominions Office, a meeting was held at the Royal Colonial Institute on the 27th ultimo attended by representatives of some of the Patriotic Societies when it was decided that, instead of the Prime Ministers and Delegates from Overseas being entertained separately, there should be a combined Dinner, to be held by permission of the Lord Mayor, at the Guildhall, on Friday, October 22nd, next. The Societies represented were :-

Royal Colonial Institute
British Empire League
Victoria League
Overseas League
British Empire Club

We believe that you will appreciate this united movement which has met with cordial approval and trust that you will be able to be present on the occasion. An official invitation is enclosed. For the purpose of announcement, we shall be glad of a reply as early as possible from you. On behalf of the combined Committee,

Yours faithfully,

Godfrey Lagden
