Dear Mr. Senator:

Senator Beaubien of Montreal, who traveled through France with the Canadian Exhibition train has kindly forwarded to me with your compliments a medal struck off to commemorate the tour of the Canadian train through France. I am merely writing to express my thanks for your courtesy in this regard, and to say that the medal will always be preserved by me as a most interesting souvenir.

Accept, Mr. Senator the assurances of my great appreciation and regard.

Yours very truly,
