Ottawa, Feb. 19, 1926.

Honourable D.O. L'Esperance,
Montreal.

My dear Senator:

Ross McMaster was in to-day and pressed upon me the need of getting ready in Quebec for a bye-election as in his opinion Mr. Marler is very likely to contest a seat. It would seem that if Marler does run it will either be in Missisquoi-Brome or in Richmond-Wolfe. I presume you know P.C. Armstrong of Swainsburg. He seems to know the first county pretty well. Dr. Hayes is or was our chief man in the latter county. However, you know these counties better than I. I merely pass on the suggestion. For myself I think it is about even odds whether a vacancy is made for Marler or not.

Yours very truly,
