The Honourable Arthur Meighen, K.C., Esq.,  
The Senate, Canada,  
Ottawa, Ont.

Re Postal Terminal Bldg.,  
Ottawa, Ont.

My Dear Senator Meighen:-

Your communication of the 13th inst., in reference to our Contract for the construction of the above building, addressed to Mr. A. W. Robertson, has been referred to the writer as he will be handling this work.

Mr. Robertson did not have an opportunity of answering your letter as he left on the 14th inst. for a two month's cruise to South America. Mr. Robertson has just suffered a great loss in that Mrs. Robertson passed away on Saturday last, after an illness of several months.

W. G. Edge Limited are very well known to our organization, as they were Sub-Contractors on Plumbing, Heating and Ventilating, and worked with us, on the National Research Bldg., completed a few years ago, in Ottawa. Our relationship with this Company was very pleasant and we wish to assure you that they will be given every consideration when the Contract for this work is awarded on the above Building.

Faithfully yours,

A. W. ROBERTSON, LIMITED,

*Isaac Ilsley*  
Isaac Ilsley,  
Managing Director.
