Ottawa, 9th September, 1907-

Sir,

In reply to your letters of the 5th Instant, with regard to the issue of Patent in the name of Herbert B. Tomkins and Nellie M. Tomkins, as having been issued in error, as the name is spelled Tompkins, I have to inform you that Patent for Islands II2B. & II2C. in the River St. Lawrence, issued in the name of Herbert B. Tomkins, and for Island II2A. in the name of Nellie M. Tomkins, as given in your letter applying for the Patents, dated 30th July last. I may say that as it will be necessary to cancel the Patents already issued in error, it will require a considerable ~~time~~ time before the new Patents can be ready.

Your obedient servant,

J. B. Reid, Esq.,
Alexandria Bay,
