by other trespassers.

In order to have a settlement without further proceedings, it is proposed to make an offer of \$100.00 each to the McLeans in full of their claim, the Department to pay its own costs to date. It is considered that this is generous treatment and is as far as the Department could justify itself in going in this matter. I would be glad to know as soon as convenient whether your clients are disposed to accept this offer.

Yours truly,

Deputy Superintendent General.
