

## AVES (BIRDS).

ATLAS. FRASER, H.

Warbling song of the Hudsonian Chickadee.

The Auk, January, 1910, vol. xxvii, No. 1, p. 86.

AMERICAN MUSEUM JOURNAL, THE (EDITORIAL).

Stefansson-Audubon Arctic expedition

May, 1910, vol. x, No. 5, pp. 433-438.

Brief references are made to the birds of the district explored which included territory to the east and west of the Canadian-Alaskan boundary between Pt. Barrow and Cape Bathurst and south to the Arctic circle. The expense of this expedition was borne, in part, by the Geological Survey of Canada.

BENT, A. C. See TOWNSEND.

BISHOP, LOUIS B.

Two new subspecies of North American birds.

The Auk, January, 1910, vol. xxvii, No. 1, pp. 59-63.

The subspecies described as new are *Xenodius americanus parvus* (Canadian curlew) and *Molothrus ater dwighti* (Northern cow-bird) both from Crane lake, Saskatchewan.

BROWN, W. L.

Nesting of the American O-prey.

The Ottawa Naturalist, November, 1910, vol. xxiv, No. 8, p. 115.

CHAPMAN, FRANK M.

Protective coloration in the habitat groups of birds.

The American Museum Journal, November, 1910, vol. x, No. 7, pp. 195-198.

Includes a note on the White-tailed Ptarmigan from the Canadian Rockies with a reproduction of a photograph of a portion of the "Arctic-Alpine group" showing the bird in summer plumage amid natural surroundings.

CLARK, AUSTIN HOWARD.

The birds collected and observed during the cruise of the United States Fisheries Steamer "Albatross" in the north Pacific ocean, and in the Bering, Okhotsk, Japan, and Eastern seas, from April to December, 1906.

Proceedings of the United States National Museum, 1910, vol. 38, pp. 25-71.

Many of the species listed occur on the Pacific coast of Canada.

COOKE, WELLS W.

Distribution and Migration of North American Shore Birds.

U. S. Department of Agriculture, Bureau of Biological Survey, Bulletin No. 35, pp. 1-100, with four plates.
